## School Tax Vote Proposed For May

Name Konzen, Mullen, Hagnauer; Avoidance Of New Bonds Studied

A mid-May school tax referendum was proposed last night to a gathering of 50 citizens, who elected Leo H. Konzen, Edward Hagnauer and Jon Mullen to lead the planning in conjunction with Granite City school officials.

Detailed background information on the school district and community was presented by Supt. Bob J. Davis, Controller Victor G. Anderson and Ronald Dardon, a planner on the staff of the Southwestern Illinois Metropolitan Area Planning Commission.

Dr. Eugene W. Walton, school board president, presided and School Treasurer George Moore summarized the data submitted to representatives of a cross-section of local organizations.

**Education, Building Funds** Specifics mentioned included a 40-cent increase in the present maximum educational fund tax rate of \$2.15 per \$100 assessed valuation, and provision by 1972-73 of two elementary schools and a junior high school.

Enrollment trends and tax limitations were described as requiring consolidation of Coolidge junior high school and Granite City high school into a four-year high school, with classrooms added at Coolidge and an additional GCHS gymnasium constructed.

This would change the present 6-3-3 elementary-junior high-high school structure to 6-2-4 or 5-3-4.

**\$1.5 Million Program** To provide construction funds estimated at \$3,500,000, the gathering was told that the district could either issue bonds with 10-year maturity or build new facilities without bonds during the next seven years at a savings of \$1,250,000 in interest.

The pay-as-you-go proposal takes into account new state laws permitting construction funds to be accumulated and allowing an extra six-cent tax rate. Whether financed by bonds or taxes, each new building project requires voter approval.

Although enrollment growth was cited by some of the speakers as requiring the erection of more school facilities, it was indicated that no final plans have been made, pending re-

## Walter Reese, 75, Expires Today

Founder of Drug Stores; Civic Award Recipient, Benefactor of Crippled

Walter A. Reese, 75, of 1400 Twenty-seventh street, founder of the Reese Drug Store chain and widely-known for his philanthropic endeavors with the Elks Crippled Children's committee, died of a heart ailment at 1:40 a.m. today in St. Elizabeth Hospital.

He had suffered a heart attack about six years ago, but remained active in directing the affairs of the company until entering the hospital last week.

Mr. Reese resided in Granite City about 50 years. He founded the original Reese drug store in the 1200 block of Niederrhineg avenue in the early 1920s, just a few doors away from the downtown store's present location.

**Ten Stores** Currently, the firm operates ten stores, located in East Alton, Cahokia, Wood River, O'Fallon, Mo., St. Charles, Mo., two at Godfrey, and three in the Quad-Cities.

A registered pharmacist and registered optometrist, Mr. Reese was graduated from the St. Louis College of Pharmacy, where he attended elementary and high school. He was the youngest child of the late John and Anise (Roy) Reese. Two brothers and three sisters preceded him in death.

During world war I he served in France as a master hospital sergeant and later was associated with drug firms in New York, Chicago, Texas, Canada and St. Louis.

In 1959, Mr. Reese and the Elks Crippled Children's committee which he founded received the Civic Achievement Award, an honor presented annually by the Associated Retailers and Civic Association in recognition of outstanding community service.

**1000 Persons Aided** Mr. Reese established the Elks benefit project in 1935 to rehabilitate handicapped Quad-Cityans and to provide Elks members with a worthwhile life objective. At the time the award was made, more than

### Firearms Owners' ID Card Application Centers Planned

Application forms are now being prepared for Illinois residents who qualify for a firearms owner's identification card. Plans are to have the forms available at convenient locations throughout the state by May 1.

Mayor D. Hanks, superintendent of the Firearm Owner's Identification Division of the Department of Public Safety, has said that preparation of the forms and designation of distribution centers is proceeding rapidly.

Sup. Hanks emphasized that applications for a firearm owner's identification card must be accompanied by a photograph, approximately one and one-half inches square, of the applicant and the \$5 registration fee.

The \$5 covers the cost of the identification card, which is valid for five years. Hawks also pointed out that the law enacted by the last General Assembly provides the system of identification of all persons qualified to buy and possess firearms and firearm ammunition.

No registration of firearms is involved in this identification law, Hawks added.

Locations where applications for the cards may be obtained will be announced as soon as details of these locations have been completed. Potential applicants should obtain the required photograph.

### State Mineral Report Available at No Cost

The Illinois State Geological Survey has released the seventh in a series of eight reports describing the mineral resources and related mineral industries of Illinois.

The report deals with the mineral resources and mineral extraction and processing facilities in the 10-county northwestern Illinois region. Value of the region's mineral production in 1966 was \$21.1 million, or 3.3% of the state's total for the year.

Counties included in the northwestern Illinois region are Boone, Carroll, DeKalb, Jo Daviess, Lee, Ogle, Rock Island, Stephenson, Whiteside and Winnebago.

Main mineral commodities produced in order of their value were cement, crushed and broken stone, sand, gravel, silica sand, lead, zinc and natural bonded molding sand. A free copy of the publication may be obtained by writing to Illinois State Geological Survey, Urbana, 61801.

### Citizens' Help Needed for Proper Law Enforcement

The need for citizens to respect law and order was stressed to Granite City Rotarians Tuesday afternoon in a talk by Eugene R. Burnett, former city police chief and now a member of the local Board of Fire and Police Commissioners.

Burnett, in relating experiences while on the department, noted that for proper enforcement, "the law must be a respecter of no persons."

If the law is to be bent for special cases, then it should be changed, he added, calling upon the Rotarians to aid enforcement officers in reporting any law infractions.

"You'll have to support your law enforcement officers if you expect to have law and order in your community," Burnett noted.

### Driver in Crash Charged

A charge of failure to yield right-of-way was placed against William Allen, 1912 Fourth street, Madison, following a two-car collision Tuesday afternoon at 22nd street and Lee avenue. Police said Allen was going east on 22nd street, while the other car was being driven south on Lee by Nancy Edwards, 2690 Iowa street.

### Pleds Not Guilty

Wendell Lee Tackett, 25, of 2136 Washington avenue, who was taken into custody Tuesday afternoon on a warrant filed by T. R. Taylor, charging aggravated battery, pleaded not guilty in magistrate court. Bond was set at \$5000.

## Park District Plans Trip to 'Ice Capades'

Enthusiastic response by local residents to Granite City park district's November "Ice Follies" trip has prompted park officials to schedule a similar excursion in March to the International "Ice Capades" show.

Granite City Park Supt. Harold Brown today announced a total of 164 tickets will be available for the Ice Capades at the St. Louis Arena on Tuesday, March 19.

He cautioned those interested to make reservations as quickly as possible, citing the disappointment expressed by many would-be patrons who found all reservations filled for the November trip.

Reservations can be made before March 12, by calling the Wilson Park office, at 877-2609, the superintendent said. Total cost per person will be \$4, including admission ticket to the arena circle and round-trip bus transportation.

## 8 Radar Speeding Tickets are Issued

Eight motorists were issued arrest tickets Monday and Tuesday as police operated radar units in the 1300 block of Edwardsville road and on Edgewood drive.

Issued tickets were Lacie Kovachik, 2500 Edwards street; Brenda Jordan, 1636 East 23rd street; James Goss, East St. Louis; Sarah Collins, St. Louis; Mary Butler, 2017 Harris street, Madison; Wirtall Langford, 2038 Skeen street, Madison; Mrs. Ruth Townsend, 2332 O'Hare avenue, and Louise Wyatt, East St. Louis.

## \$50,000 Damage Suit

A suit for \$50,000 was filed Tuesday in Madison county circuit court for John C. Lobos against Louis Zeeff jr. of Granite City as a result of a traffic accident on McCambridge avenue and Skeen street in Madison on Feb. 3. Lobos claims he sustained severe and permanent injuries and charged negligence.

## Price Commends President For Anti-Crime Plan

Congressman Melvin Price, (D) East St. Louis, in a House speech Monday, praised President Johnson's "forceful and succinct" anti-crime statement which, Price said, "documents without doubt the commitment he holds for improving the quality of our citizens' lives."

Cong. Price said he was particularly interested in the President's recommendation that "the model cities program be required to include crime prevention plans in the proposals of the 63 cities presently designated."

East St. Louis, one of the cities designated, Price noted, has plans for a model anti-crime and juvenile defenders program in its 5-year proposal, which includes "a proposal for improving police-community relations, one of the keystones of any well designated anti-crime program."

"I am pleased to report," Cong. Price told his colleagues, "that East St. Louis is one of four cities of the 63 designated that has had its work program approved." That phase of the model city program, he explained, is required for the implementation of the 5-year program on which the designation is based.

Cong. Price said he also plans to confer with Justice Department officials on the execution of a model crime control program in East St. Louis.

## Accident Suit Filed

A \$15,000 suit was filed Tuesday against William H. Aufderheide jr., of Bend road and Union Street & Refining Co. for Betty B. Johnson and her daughter, Deborah, of St. Louis, who claimed they suffered serious and permanent injuries in an auto collision at an Interstate 70 exit ramp near Pleasant Mound, Bond county, on last Nov. 17. According to the complaint, Aufderheide was an agent of Union Street at the time.

## Band Parents Preparing For Contest Here March 9

Granite City High School Band Parents Association, meeting Tuesday evening in the high school band annex, continued plans to provide assistance at the annual "Grade School Band Contest" to be held at the local school on Saturday, March 9.

Earl McMillan, association president, and Mrs. Mabel Gertsch, ways and means chairman, are coordinating arrangements with the high school music department to provide various services in connection with the day-long affair.

Plans include a luncheon for

the youthful contestants who are expected to number several hundred.

Louis Meek, high school band director, announced the next concert in the winter-spring series will be presented at 8 p.m. Thursday, Feb. 22, in the high school auditorium.

Admission usually is by season ticket, however, single performance tickets will be available at the door the evening of the concert, Meek added.

The fourth and final concert is scheduled for April 4. Routine business was transacted for the remainder of Tuesday's meeting.

## Pat Alexander Returns From Vietnam Duty

Seaman Pat N. Alexander, 22, returned home Tuesday from Da Nang, Vietnam, where he has served the past year as a member of a U. S. Navy "Swift Boat," the type of craft which patrols the coastal waters off the Vietnamese mainland and river confluences.

The returnee, a 31-year Navy veteran, also received his discharge this week from the service. He is the son of Mr. and Mrs. Arthur N. Alexander, 2912 Fortune drive, and husband of the former Miss Theresa York of Granite City. They were married in September 1966.

A 1964 graduate of Granite City high school, Alexander was widely known during his high school years as the school's athletic leader. Before his assignment to Vietnam, he was stationed at Pensacola, Fla.

Alexander and his wife presently are residing at 2810 Nankin road.

**Care, Keeping of Chicken**  
The large supplies of broiler-fryers currently on the market mean poultry specials in food stores. And you can count on frozen poultry meals if you follow recommended storage practices.

Broiler-fryers, like all poultry are included among the more perishable foods. Flavor deteriorates if poultry is held under poor storage conditions or for too long a time.

Chilled, fresh chicken is really best if used immediately. It can, however, be kept in the refrigerator a day or two if stored in the coldest section.

Puncture the film wrapper to allow air circulation or better still, remove the store wrappings and cardboard tray and rewrap the bird loosely in foil or moisture-proof paper.

Cooked chicken can be held a day or two in the refrigerator. A freezer, of course, provides longer storage. Fresh birds will keep their fine quality at 0° F. up to one year, but after cooking, the storage life of poultry is shorter.

Slices or pieces of cooked chicken covered with broth or gravy can be kept up to six months. Slices without gravy should be used within one month.

Cooked poultry dishes have a maximum freezer life of six months, while frozen fried chicken should be used within four months.

What's in a Hot Dog?  
Ready-made hot dogs you're buying when you shop for hot dogs, red-hots, wieners, or frankfurters, read the label.

Nyle Corbett, University of Illinois extension food specialist, explains that the label serves as a "buyer's guide." It tells you about this great American meat product. The label includes an accurate list of ingredients, starting with the predominant item.

All beef frankfurters, as the name implies, are made exclusively with beef.

All meat frankfurters are made exclusively with meat, though it may be a combination of beef, pork, and veal.

Cereal and nonfat dry milk may be added to frankfurters, and imitation frankfurters are also available.

Cereal and nonfat dry milk are added to some frankfurters to help bind the meat. Regulations require that such frankfurters, when produced under federal inspection, cannot contain more than 3.5% of either cereal or nonfat dry milk, or a combination of the two.

If the product does contain more than 3.5% cereal or nonfat dry milk, or if it has had

## Local Girl Elected To State 'Y' Program

Miss Jean Graklanoff, 42 Villa drive, is Chapter of the House for the upcoming 18th YMCA Youth and Government Legislature to be held in Springfield in the fall semester.

Charles Hasse, YMCA youth director, said today that the local YMCA has 13 girls representing Granite City in this year's Youth and Government program. Among the benefits gained from this program are: education in the democratic process; stimulates an interest in government; face-to-face confrontation with government leaders; develops leadership qualities; provides experience in group thinking and planning; experience in human relations.

The girls are working toward a goal of \$450 to finance a trip to Springfield. Among their projects is a chili supper at the YMCA on Wednesday, Feb. 21, 5 to 7:30 p.m. The public support will be appreciated. Any club or organization that would care to contribute funds may do so by contacting Chuck Hasse at the YMCA Youth Department.

—The American Academy of Art in Chicago has enrolled 27 veterans; the Chicago Academy of Fine Arts, 29; and the

School of the Art Institute, also Chicago, 46.

—Hospitals in the state have almost 250 veterans in training, with the three VA hospitals in Chicago accounting for 27.

The VA Data Center at Hines, Ill., reported that as of Feb. 1, a total of 63,716 veterans in the U. S., including some servicemen in special training, have trained under the Third GI Bill. Of these, 329,526 are currently enrolled and 261,890 terminated. Naser explained that enrollment figures will show a sizeable increase when reports for the spring term, just coming in, are made by the schools.

In addition to veterans in training, 24,774 so-called war orphans, dependents of deceased or seriously disabled veterans, are enrolled in the nation's schools. Another 4488 have received some education but are not currently enrolled in the program.

**4 Boys in Car Theft**  
Two Granite City boys and two Madison boys, all aged 16, were returned by Madison police from Fredericktown, Mo., yesterday for investigation into the theft of an automobile last week from Alphonse Mossa, 1533 Sixth street, Madison. The car was stolen Saturday night and the boys were arrested in the car at Fredericktown last Sunday morning. Police said three of the boys were released to their parents and one was placed in custody of county juvenile officers.

John Klesh opened a meeting of the Holy Name Society of St. Elizabeth Church with prayer Tuesday evening. Twenty-two members and recited the Holy Name pledge.

New officers introduced were Roy Ponce, president, Jerry Disler, vice president, John Klesh, secretary, and Art Koerper, treasurer.

Spring plans were made and Fr. Lawrence Mattingly suggested that the group invite ministers of different religions to be guest speakers at its monthly meetings to discuss religious beliefs, followed by panel discussions.

He thanked the 100 men who attended a breakfast Sunday. John Klesh was awarded the room prize. A social hour served refreshments. The next meeting will be March 12.

**AIR POLLUTION TOPIC OF FROHARDT PTA**  
Mrs. Jo Ann Kalert, president of the Frohardt PTA, conducted a board meeting Tuesday evening and announced the program for the meeting next Tuesday. "Air Pollution" will be the topic, films from the Heart Association will be shown and past presidents will be honored.

**STUDENTS TOPIC OF BAPTIST CIRCLE**  
A meeting of the Helen Lambert circle of Calvary Baptist Church was conducted Tuesday morning at the church. Lesson for the day was "Students in the U.S.A.," with all the members participating in the topic.

Mrs. Ruth Moser gave opening prayer and Mrs. Mary Peters closed the meeting with prayer.

The time was spent making valentine favors to be taken to the patients at The Colonades nursing home.

Others attending were Mrs. Dorothy Miller, Mrs. John Stevens and Mrs. Dorothy Brinkley. Next monthly meeting will be at the church March 12 at 10 a.m.

## 31,210 Ex-GIs on Campus In Illinois, VA Reports

Illinois campuses have a heavy tinge of veterans this year with 31,210 ex-servicemen studying or training in the state under the Post Korea GI Bill, it was reported today by the Veterans Administration.

Of these, an estimated 40%, or more than 12,000, are in institutions of higher learning. John B. Naser, manager of the VA's regional office in Chicago, said today on the basis of enrollment in the fall semester. Unlike many states, Illinois has a heavy enrollment in trade and correspondence schools as well as junior colleges, the manager added.

Major schools in the state reported veteran enrollment as follows:

—In Chicago: De Paul, 268; Loyola, 408; Roosevelt, 436; Chicago U., 364; U. of Illinois, Circle Campus, 331; Illinois Institute of Technology, 478; Northwestern U., 485; and Northeastern Illinois State College, 310.

—Elsewhere in Illinois: Bradley at Peoria, 238; Western Illinois at Macomb, 147; North Illinois U. at DeKalb, 416; University of Illinois at Urbana, 645; and Southern Illinois U. at Carbondale, 845, and the SIU-Southwestern campus, 465.

—Junior colleges in the state accounted for 6000 of the total number of veterans enrolled. —Trade and correspondence schools also had some heavy enrollments. Typical were La Salle Extension University, Chicago, 6601; International Accountants Society, Chicago, 2014; Commercial Trades Institute of Chicago, 3010; Chicago Technical College, 548; Greer Technical Institute, 375; Advance Trade School, Chicago, 664; American Technical Society, 375; and Coyne Electrical Institute, 220.

## Farm Column

By Warren W. Bundy  
Madison County Home  
Advisor

By WARREN W. BUNDY, Extension Advisor

Area vegetable growers heard specialists discuss many technical topics about vegetable production, storage and marketing at the recent annual school at the Vegetable Growers Hall near Caseyville.

The two-day school for vegetable growers in Madison, St. Clair and Monroe counties was sponsored by the Tri-City Vegetable Growers Association in cooperation with the University of Illinois Cooperative Extension Service.

Alvin Weissert, East St. Louis, was elected president of the association. He succeeds Bob Fournie, Collinsville, who served as president the past two years. Other officers elected are: Evarist Schwartz, vice-president, Cy Weissert, secretary and Martin Birk, treasurer.

Newly-elected directors are Harley Willard, Louis Keller and Joe Courtney. Hold-over directors are Homer Bruns, Martin Arth, George Willard, Jr., and Melvin Julien.

Program highlights included recommendations by University of Illinois specialists for plant disease, insect and weed control.

Pesticides are necessary to the production of abundant supplies of fruits and vegetables, but they must be used in such ways to conform to minimum residue tolerances established by the Food and Drug Administration. FDA regularly checks food products to assure regulations are being observed.

Mulches are being used on a limited basis by some fruit and vegetable growers. U. of I. horticulturist Joe Vandemark said mulches are used to control weeds, temperature, moisture, and certain plant diseases. Mulches also may hasten maturity and increase yields.

Some mulch materials include plastic, plastic-coated paper, sawdust, corn cobs, straw, and others.

plastic-coated paper recently developed for use as

mulch has the advantage of decomposing at the end of the season, thus eliminating the need for removing it from the field. You can disk it up and plow it down, he said.

Two thousand blackberry varieties, "Smooth Stem" and "Thorn Free" have been developed, reported Horticulturist Bill Court. Tremendous yields of 20,000 quarts per acre have been obtained from these varieties. "Thorn Free" is the variety preferred because it is more winter-hardy. These varieties are later maturing and more tart than the thorny varieties.

**'Closed Package Law'**  
Reginald Stearnes, Illinois Division of Markets, explained the "Closed Package Law" requires the growers name, address, variety, grade and count on the outside of each closed package. Produce dealers in Illinois must be licensed by the state, but growers need not be licensed if they sell only the produce they grow.

Pictures of a machine for harvesting sweet corn for the fresh sweet corn market were shown and explained by a machinery company representative. He said the machine will harvest 12 acres of sweet corn. A grower would need about 300 acres to harvest to justify the investment in the machine.

Arch Berger, Berger Foods Co., St. Louis, said he would like to contract for more acreage of cucumber production in this area.

Other program highlights included reports on fertilizers for fruits and vegetables, tissue tests of borershradish, horseradish variety and storage tests, and field crops varieties.

Dinner served each day by the wives of association members proved again to be one of the more outstanding highlights of the two-day school.

Information for local commercial fruit and vegetable growers is available from Chris Doll, area horticulturist, 900 Hillsboro, Edwardsville.

## MORE ABOUT County

the board's steering committee. The county then could acquire park land when funds become available, it was explained.

Harry Briggs, Namook township supervisor, noted that no tax funds would be used in the program, and there is "a lot of open space money available from the federal government."

The steering committee also recommended that the new buildings committee make a five-year study on building needs by the county.

A dispute occurred over a proposal to award a contract for a new Civil Defense truck garage, parking lot, drives and curbs to another contractor who had submitted a higher bid.

A contract was awarded last month by the board to the Hellung Construction Co. of Alto on a low bid of \$39,885. Architect Robert Field of Collinsville explained that the Hellung proposal did not meet the specifications and the county refused to sign the contract.

### Second Low Bidder

The next low bidder was L. Korinek & Sons of Collinsville — \$46,053. Nelson Hagnauer, Granite City township supervisor and a member of the finance committee, argued that no funds had been budgeted for the project and asked where the extra money was coming from.

It was noted that Civil Defense has an unappropriated balance of about \$38,000, and transfers of funds and other details could be arranged later. Korinek received the contract on a 34-to-1 vote.

The building will be on county home grounds at Edwardsville and it was noted that the land development also will benefit the home.

**Landfill Amendment**  
An amendment to the sanitary landfill ordinance which would qualify small operators of landfills without adequate finances to operate was laid over to the next meeting. If adopted the county could authorize an applicant to operate on mortgaged land if the first mortgage on real or personal property has a minimum value of \$15,000 and if it is appraised and the amount substantiated.

The proposal was made in face of the lack of sufficient space in the county for landfill operations.

A contract was awarded to the Ed Moore Construction Co. of Granite City to repair the south wall of the county jail building on a low bid of \$16,067.

## Demos to Name 2 in Representative Race

Democratic representative committee of the 33rd Representative district notified County Clerk Eulalia Hotz Tuesday that two Democratic candidates for state representative shall be nominated in the June 11 primary election for the Nov. 5 general election.

The number of candidates to be nominated on Democratic and Republican tickets are determined by the district's representative committee on the basis of the vote cast in the state representative race in the previous election for that office.

Miss Hotz said the certification of two Democratic candidates was signed by Chris Coffey of Madison as chairman, Ralph Elliott of Granite City as secretary, and Robert Miller of Alto as the other committee member.

Republican committee men have not yet certified the number of candidates to be nominated on the GOP ticket. Last year only one Republican nominee was permitted.

**Purchase of a mobile van** from Cassen's & Sons of Edwardsville for \$3700 for voter registration use by the county clerk was approved. One bid was received. Eleven bids were received on the purchase of three two-ton dump trucks for the county highway department, with the award going to the Mallett agency of Collinsville on a net low bid of \$10,461.

**Dog Found Interest**  
A resolution was approved authorizing the county to pay 6% interest on unpaid balances on a 10-year lease-purchase contract for a new county dog pound. The interest had been omitted from the previous contract.

Michael Pellegrini, chairman of the county nursing home committee, said the home must meet state regulations by 1970, but that a state inspector said it is in good condition and would be suitable for medicare patients leaving hospitals. He said most counties in the state operating homes are now constructing new homes or expanding them.

The January average at the county home was 53 patients, while the tuberculosis sanatorium had 21 on Jan. 31, an increase of three during the month with nine admitted and six discharged.

Six-month financial reports showed excess fees totaling \$14,154 by County Clerk Eulalia Hotz and \$33,512 by Recorder of Deeds James Chapman.

## Plan Survey on Use of Mitchell Sanitary Sewers

A house-to-house survey to determine the number of residents of the Mitchell Public Water District that would use a sanitary sewer system will be made by the water district board during the next two months, it was decided by the board in its regular meeting last night.

Lee Paul, president of the water district board, said voters will be sought to call upon every householder in the district to learn if a sufficient number of residents is interested in a sewer system to justify a bond issue.

The board's action followed a meeting Jan. 27 in which engineers outlined details of a feasibility report on installation of a \$1.5 million sanitary sewer system within the boundaries of the water district. The revenue bond would be issued by the water district with the bonds retired from monthly sewer rentals.

Paul said it has not yet been determined whether householders will be asked during the survey to sign pledge cards if they are interested in connecting with sanitary sewer lines. Anyone interested in aiding in the canvass is asked to call the water district office at 931-0164.

## MORE ABOUT Nameoki

Appropriation last year for road maintenance was \$23,400. Other items of the road and bridge budget are \$5025 for administration, unchanged from last year, and \$2500 for the municipal retirement fund, also unchanged.

The permanent road fund of \$52,000 earmarks \$51,000 of the road repair work requiring \$9000 for labor and \$42,000 for materials and supplies. The remaining \$1000 is for administration costs.

Items are the same as those in the 1967-68 budget. Only major change in the town fund was a \$5000 appropriation for deputy assessors, up \$2500 over last year. The town fund item of transportation and travel expense for town officers was fixed at \$500, a cut of \$1050 below last year's \$1550.

## Dr. Walton GC School President, Macios Secretary

Dr. Eugene W. Walton, local chiropractor, was elected president of the Granite City community unit district board at a meeting Monday night for the remainder of the term ending April 22. He succeeds Monroe Worthen, who resigned as president.

Replacing Dr. Walton as board secretary is Carl Macios, of McDonnell-Douglas Co. engineer. Both were chosen by unanimous vote of the seven members.

Other business included the appointment of Richard Yates, director of athletics, as a junior high school assistant principal effective with the next school year. Joseph Fedora, a teacher and coach, will be the new director of athletics. Details of these appointments are given in today's sports news.

**On Board Four Years**  
Dr. Walton, 52, of 57 January lane has completed one three-year term and the first year of a second three-year term, having been re-elected to the board in April 1967. Married and the father of five children, he was born in Ridgeway, Ill., and has lived here 26 years.

He served four years in the Navy and formerly worked as staff manager of the Metropolitan Insurance Co. A member of the YMC board and former member of the Toastmasters, he is a graduate of Ridgeway high school and Chillicothe College and received his degree as a chiropractic physician at Missouri College.

Macios, 32, of 78 Cambridge drive was appointed to the board in 1966 and was elected to a three-year term in 1967. Born in Granite City and a lifelong resident, he has a wife and four children.

**GCHS Graduate**  
Formerly associated with the Sverdrup & Parcel engineering firm, he is a graduate of Granite City high school and the Missouri School of Mines and Metallurgy.

Dr. Walton, Macios and Worthen are the only holdovers this spring. Worthen is to be presented a certificate by the board in recognition of his service as president since April 1965.

Treasurer George Moore sr., Royce Timmons and Donald Stucke are completing regular terms this year—Stucke serving by appointment. Arthur L. Metcalf, also an appointee, is in a post which voters will fill for a one-year unexpired period in the April 13 balloting.

Filing will begin Feb. 28 and end March 23. Petitions have been issued so far to three of the incumbents, Moore, Stucke and Metcalf, and to two other prospective candidates, Henry J. Beadle, 4732 Vincent avenue, Nameoki Acres, and Harold W. Davis, Rural Route Two.

Enlist in Air Force

Robert Wagner, 18, son of Mr. and Mrs. Rudolph Wagner, 1643 Lindell Blvd., Tuesday for Lackland Air Force Base, Texas, following his enlistment in the U. S. Air Force. The youth is a graduate of Granite City high school. His enlistment is for four years.

## MORE ABOUT

### School Tax

ceipt of recommendations from the newly-formed citizens' group.

**Separate Studies Agree**  
Moore told the gathering, "We have heard the results of two entirely independent studies (school district and SWIMAPC) predicting future enrollment increases of the same approximate magnitude. We have been made aware of the ever-increasing operating costs."

"We were fortunate during the past session of the state legislature to have received an increase in state aid."

"We are aware that our authority to levy additional taxes to meet additional and increasing expenditures is substantially limited."

"We are accomplishing this job of education at reasonable cost when compared to others. Funds Required Decision."

"We are now in a position where we cannot maintain our educational program at the same degree of excellence to which we are accustomed without finding a way to take care of our increased enrollments and without depleting the best means of obtaining the funds necessary to accomplish what must be done."

"Because presently available sources of revenue will not solve our problem, we must either reduce our educational programs or impose some additional burden on the local taxpayer," Moore said.

"We recognize the need to provide the best possible education. At the same time, we have full confidence in our obligation to accomplish this in the most practical manner. We have a real need for your help in the regard. How can we best solve our enrollment problems? How can we best finance what we must do?"

**Five Committees Planned**  
The citizens were told that Konzen, representing the Chamber of Commerce, Hagnauer, representing the Carpenters District Council, and Mullen, representing the American Federation of Teachers Local 743, will set up committees to study financial needs and to study enrollment projections.

Later committees will deal with voter turnout, publicity and speakers. The groups involved are the Granite City Education Association, Tri-City Trades and Labor Council, Manufacturers Association, Area Parent-Teacher Association Council, city government, Granite City township, Chouteau township, Pontoon Beach Village, Building Service Employees Local 38, Teamsters Local 525, Laborers, Painters, Jaycees, Rotary, Granite City and Mitchell schools, Noonday and Twilight Optimists, Business and Professional Women, Retailers, Ministerial Association, Medical Society, Dental Society, park district, Bar Association, YMCA, Chiropractic Physicians, Granite City Housing Authority, American Association of University Women, Elementary Principals Association and Red Band Parents.

Supt. Davis told the audience that the 14,283 enrollment this fall exceeded by 2000 the estimate made 12 years ago by the Bartholomew planning firm and by 1200 its projection for 1969.

Our study shows a probable enrollment of 20,029 in 1977-78, or 5746 more than now. We proceed differently than SWIMAPC, but we differ only by 400 in our separate estimates for 1977-78," the superintendent commented.

"The estimated gain includes 3346 elementary students and 1204 in the seventh through ninth grades. In addition to providing classrooms for regular instruction, state law now requires a major increase in our special education services."

Supt. Davis said it is hoped to hold out Central Junior high school by 1972-73 and the Washington, Stallings, Webster and McKinley grade schools. They are among the older buildings in the system.

By 1977-78, five elementary schools, a second new junior high school and an addition to Grigsby junior high school probably will be needed, he said.

**See 23,000 Population Rise**  
Dardon predicted the present school district population at 56,000 and said this should increase to 79,000 by 1985, with the percentage in school rising from the present 29% to 33%.

Nationally, 25% of the population is in school and this is expected to reach 30% by 1985, he said.

Dividing the community into planning districts, he listed potential school construction needs and said there is a prospect of rapid enrollment growth in undeveloped rural areas and in urban sections where high-rise apartments may be built.

Anderson used a chart projected on a screen to explain the two principal methods of providing building funds. He said pay-as-you-go would involve a 10-cent higher rate than bonds annually through 1973 and seven cents more annually through 1975, but 42 cents less in each of 1975-76 and 1976-77 and 45 cents less in 1977-78.

A comparison with the Champagne school district, described as about the same size as Granite City, showed Champagne had 33% higher assessed valuation per student, \$20,711 to \$15,106, and a 27% higher school tax rate, \$3.11 to \$2.44 in 1965-66.

Anderson said that on July 1 Granite City schools will owe \$4,860,000 bond principal and \$75,015 interest, or about half of the bonding limit of slightly over \$10 million.

Under a program of direct financing of new schools, the 37½-cent building fund tax rate limit would be utilized along with the six-cent construction

**TRAIN STRIKES AUTO, OCCUPANTS ESCAPE**  
The auto of Mr. and Mrs. Robert Bates, 4601 Highway 162, was demolished Sunday afternoon when it stalled on the tracks at the Stallings Park crossing and was hit by an Illinois Central passenger train.

Bates and his five children were on their way to a store at the time, and left the vehicle when they saw the train approaching. He tried to flag down the train, which slowed but could not stop.

When it halted, a doctor on the train came back, thinking someone was in the car.

The Bates family moved here from Bethalto in September and he is an A. O. Smith Corp. employee.

**The Golden Circle class** of Monday evening with Mrs. Opal Ashoff, 481 East Lake drive. The hostess presided and gave the devotional. Mrs. Rubel Smith gave closing prayer.

Refreshments were served. Present were Mrs. Evelyn accumulation rate and the five cents permitted without referendum for safety remodeling when the maximum building rate is being expended.

Noting that over \$400,000 has been earned since 1963 in interest from investment of temporarily idle school funds, Anderson said adequate financing of school programs is preferable to deficit procedures under which interest is paid to obtain operating funds.

They practiced first-aid and worked on advancement.

Boys present were Willie Arnold, Richard Breiden, Eddie Dummit, Pete Fournell, John Harper, Steve and Dave Hutchings, Danny Jones, Danny Kreher, Jeff Laymann, Mark and Rudy Recker, Mike Rodgers, Larry Taylor, Roger Yokley, Don Agnes, Rich Taylor, Don Adams, Dave Senior, Steve Jones, Billy Thomas and Jimmy Jones.

# Mat Warriors Seek Second State Title; District to Begin Tonight

The Granite City high school wrestling team has won the district championship for 10 straight years, but this year the Warriors are not rated the team to walk away with all the honors.

The first round of the Illinois High School Association district mat competition will begin at 7 p.m. today at Wood River high school.

The Warriors will battle in 12 weight divisions against Alton, Bethalto, Edwardsville, Highland, Litchfield, Plana, Roxana, Vandalia and Wood River. Initial bouts and quarter finals will be wrestled tonight. On Saturday the semifinals will start at 1 p.m., with the finals getting underway at 3 p.m.

The Warriors have one defending champion from last year. Bob Miller won the district 95-pound title and this year will be wrestling in the 105-pound class.

**Bethalto Favored**  
Another champion from last season, returning to try and repeat his district championship, is Bethalto's Ken Hammons. Hammons wrestled at 180 and went on from the district to the sectional championship before being eliminated in the state meet.

Bethalto has two wrestlers who were runners-up in last year's district and will return to try and better their records. Jim Collins will wrestle in the 130-pound classification and Dave Williams will compete at 95 pounds.

Roxana has two wrestlers in the tournament who advanced from district to sectional competition in 1967. Bob Peterson (103 pounds) won the district and Bob Sticht (180) won both district and sectional titles and then was runner-up at the state level.

Warrior Coach Bill Schmitt said that "Bethalto would have to be rated first, Roxana second and Granite City third."

GC's has been plagued with injuries this season but has again won the Southwestern Conference championship.

**Warrior Entries**  
Coach Schmitt has picked the team that will represent Granite City in the district meet. Leroy Wilson will wrestle in the 95-pound division; his record this season is 15 wins and 15 losses.

Bob Miller (103) won 10 and lost three, while Ron Hopper (112) won 15 and lost nine. Gary Oxford (120) has the best record on the Warrior team with 24 wins, five losses and two draws. Mike Christopher (127) has seven wins and five losses.

Tom Niebur (133) has a record of five wins, four losses and one draw. Dempsey Cross (138) has an outstanding 17 wins, four losses and one draw and Rick Smith (145) is close behind with 15-4.

Paul Hoffman (154) has a 1967-68 mark of 17 wins, five losses and one draw. Tim Wallace (165) has four wins, three losses and two draws, Bob Pates (180) 17 wins and 13 losses, and Dan James (heavyweight) 11 wins and four losses, round out the local squad.

No bouts will be held tomorrow.

**Sectional Here Next Week**  
The Granite City sectional meet — involving the 24 champion and runner-up from each of four districts — will follow next week, Feb. 23-24.

Ying in the GCHS school will be the district representatives from Wood River, Decatur, Jacksonville and Carbonate.

Teams in the Carbonate district are Belleville East, Belleville West, Carbondale Central, Carmi, Centralia, East St. Louis, Lincoln of East St. Louis, Harrisburg, Lawrenceville, Murphysboro and O'Fallon.

Jacksonville district entries are Central of Camp Point, Carrollton, Jacksonville, Liberty, Mendon Unity, Quincy Christian Brothers, Quincy, Springfield 14 North, Springfield Southeast, Springfield and Virden.

Decatur entries are Argenta, Charleston, Decatur, Decatur Eisenhower, Decatur Lakeview, Decatur MacArthur, DeLand, Mattoon, Mt. Zion and Shelbyville.

**More Schools Competing**  
There are 263 downstate and suburban high schools in the competition opening this week, an increase of 20 schools from last year.

First and second-place wrestlers in the sectional will advance to the state tournament March 1 and 2 at Northwestern University, Evanston.

Chicago public schools will conduct their own elimination matches, with the first and second-place winners in each weight class advancing directly to the state meet along with the athletes from seven sectional tournaments.

**GC's Tenth Last Year**  
Last year, Rock Island, with only two entries, amazed the experts by capturing the state team championship with a total of 25 points.

Evanston township and Orland Park Sandburg tied for second place with 22 points each and Pekin and Champaign finished in a tie for fourth with 21 points.

Granite City Warriors, state champions in 1965, tied for 10th place with Evergreen Park, scoring 15 points in last year's state meet.

Moore to End College Basketball Career in League Game Feb. 21  
Peru State College, Peru, Neb., will play its last home basketball game of the season Saturday night, when Hastings College invades.

George Moore, Peru's 67 senior center from Granite City, will be playing the final game of his collegiate career before the home fans.

Hastings is 1-4 in conference play; Peru is 3-3. On Jan. 19, Peru State fell by a 92-79 score at Hastings.

Coach Lynn Farrell's Hastings Broncos were mathematically eliminated from the conference championship race last week when Kearney State tripped them in a game at Kearney.

Peru State still has a mathematical, but unlikely, chance for part of the NCC crown. To do that, the Bobcats must win their two remaining games, Chadron must lose its lone remaining NCC encounter, and Wayne must lose its last two.

Hastings will bring a towering front line into action Saturday night. Coach Farrell will probably start 7-0 Jack Kramer at center and 6-7 Glen Mays and 6-7 Dick Beck at forwards.

This trio dominated the boards in Peru's loss at Hastings.

Following Saturday night's game at Peru, Peru State will close its season with a Feb. 21 date against Wayne State at Wayne.

### 7-Y' Soccer Teams Enter Khoury Meet

The Granite City YMCA soccer league will enter seven teams in a Khoury League invitational tournament to be held March 24 at St. Louis area soccer fields. Pairings have not been made, pending possible further team entries.

The YMCA will be represented by one team from the Aton Division (nine-year-old players) — Mexican Honorary Commission; two teams from the Ban-tams (age 11) — Mitchell Athletic club and St. Elizabeth; three teams from the Midget Division (age 13) — St. Elizabeth, Mitchell and Credit Union; and one team from the Juvenile Division (15-year-olds), Gasparovic Agency.

This weekend there will be practice games for all of these teams as six squads from Watson club in St. Louis play here Saturday and four teams from St. Ann play here Sunday.

Action Saturday will start at 11 a.m., and Sunday games will begin at 1 p.m.

All the local teams are competing in the YMCA soccer program this year. Each will use only its own players; there will be no all-star teams.

GCHS TRACK LETTERMEN Dave Mullinex (left) and Jim Jones run practice hurdles in preparation for an indoor relay meet at 4 p.m. Friday at the St. Louis army. The two juniors are among eight Warrior lettermen.

## Track Meet in February? GC Will Begin Season Tomorrow

The first of several indoor track meets for high schools in the St. Louis and Illinois metropolitan area is scheduled for 4 p.m. tomorrow at the St. Louis Army.

A young Warrior squad of about 40 prep trackmen will compete in all relay events, according to Jim Morrison, Granite City high school coach.

Morrison said today that preliminary competition will get underway at 4 o'clock, with the final rounds slated for 6:30 p.m. Friday.

Thirty area high schools are expected to enter teams, with the Granite City, the Southwestern Conference will be represented by Alton, East St. Louis, Belleville West and Edwardsville.

**Outstanding Sophomores**  
Noting that the Warrior squad is a "fine young team with several outstanding sophomore prospects, but only eight returning lettermen," Morrison hesitated to speculate on the local chances. "Our indoor facilities for workouts are limited," he added.

The coach commented that two juniors, Dave Mullinex, a hurdler, and Jim Jones, a sprinter, show good promise. He pointed out, however, that Jones may not yet be up to par

due to a leg injury sustained in the football season.

Varsity events will include the 880-yard and mile relays, high and low hurdle shuttle, sprint and distance medleys, two-mile relay, shot put, high jump and pole vault. Sophomore events include the 880 and mile relays.

**Lettermen Listed**  
Warrior trackmen expected to compete tomorrow are lettermen Richard Hall, Rick Bartling, Mike Burris, Jones, Carl McDowell, Mullinex, Tom Niebur and David Saltsch.

Other team members include Mike Allen, Joe Arico, Robert Barthelmy, Steve Benko, Curtis Bradford, Dan L. Burris, Charles Campbell, Rick Cardwell, William Carter, Jerry R. Cook, Kevin Davis, Jerry Cooke, Ken and Mike Eliff, Al Eganoff, John Frazier, Dennis Gillie, Steve Glasgow, Thomas Green, Randy Hayes, Nelson Hediger, Dan L. ## New Pole and Line Fishing Law is Explained

By DON HASTINGS  
County Conservation Officer

With the hunting season over and the fishing season coming, there has been many questions concerning the new pole and line fishing license. I will try to explain it as clearly and briefly as I can.

Everyone who fishes with any type of pole and line and who has reached his 16th birthday needs a fishing license unless he is an owner or tenant of a farm or a person who resides on the farm where he is fishing.

The pole and line license allows him to use two poles and lines with two hooks on each for a maximum of two poles and four hooks. Artificial lures are considered as one even though some plugs may have three hooks attached to it.

A hook and line license only allows you the two poles and it is not possible to use more than two poles or rods even though a person might be willing to purchase a second pole and line license.

If you want to fish in some other manner instead of a pole and line, then you must buy a 50-hook trot line license also costing \$2. With this license you can then set out a 50-hook trot line, or use up to 50 float jugs, or set 50 bank lines or a 50-hook throw line. For every 50 hooks you increase you must buy another trot line license at \$2.

A second note on bank lines—it is now illegal to set bank lines or other lines by fastening them to limbs of trees or to small trees. The only way you can tie to trees is to the main trunk and below the water line. It is best then to the lines to poles set for the purpose or in the case of trot lines to set stakes.

This law came about because of careless people using bank lines to tree limbs and never taking them down. They then become a hazard to people riding on boats, especially on the streams and rivers where water level fluctuates and many hooks hang at head or body level.

To sum it up quickly, if you want to be sure, buy a pole and line license, don't use more than two rods and four hooks and nothing else.

If you want to fish with some other type of hook and line device also, then buy the 50-hook trot line license as well and be sure and not have more than 50 hooks of any kind out.

Does your boy have a gun? Where is he shooting it? Please check on it, as I have had a rash of complaints from all over the county of boys shooting without regard to property or safety. It costs nothing to check but may save you money instead.

The 12 month endless mileage warranty.

There's no limit to how far you can go on Renault's new warranty for 1968 models.

Renault will cover you for 12 months and as many miles as your speedometer reads.

As is the case for all makes of cars, you're responsible for having your Renault serviced according to the schedule in our Warranty Book. (We even make the first 1000 mile inspection free.)

And naturally, the warranty doesn't cover parts or components subject to normal wear and tear.

Other car warranties put a limit on how many miles you can go.

But we feel that the Renault 10 is tough enough to be driven no end.

# MHS Chooses Ideal Time for 'Best Game,' Scalps Comanches

Any doubt about which is the best team in the Midwest Conference were ended Tuesday night at Madison high school.

The Trojans captured undisputed first place by crushing the Cahokia Comanches 93-63. Going into the game the teams were deadlocked with 7-1 conference records. The first time they played, the Comanches won at Cahokia 75-58.

The quarter scores Tuesday night were 16-18, 45-30 and 74-47, Cahokia threatening to break it wide open with deadly shooting in the early going.

**Second Period Decline**  
Coach Harland Scheibel concluded that "it was our best game of the year" and said "the second quarter made the difference. We simply played good basketball."

He is the assistant MHS basketball coach.

It was 25-25 in the second quarter when the Trojans tallied ten straight points, Tom Weston cashing in three goals and helping on rebounding as the Trojans began to run.

Gary Lusk extended a string of consecutive free throws to 22 with his first five and finished with 12 of 13 charity shots for the game. Combined with 13 field goals in 26 attempts, he totaled 38 points.

Jim Scott sparked a pressing defense and scored four points. Weston amassed 21 points on 10 of 13 attempts from the field. Joe Collins scored 18 with six of 14 field goal tries. Keith Williams added eight and Titus Shipp and Dale Clinton, two each.

**Fouls, Turnovers Turn Tide**  
As Cahokia tried to come from behind it became more aggressive and got into foul trouble in the third quarter, as well as having several traveling violations called.

Two Comanches left the game on fouls in the fourth period. Madison ended with 36 of 66 shots for 55% and Cahokia 24 of 52 for 46%.

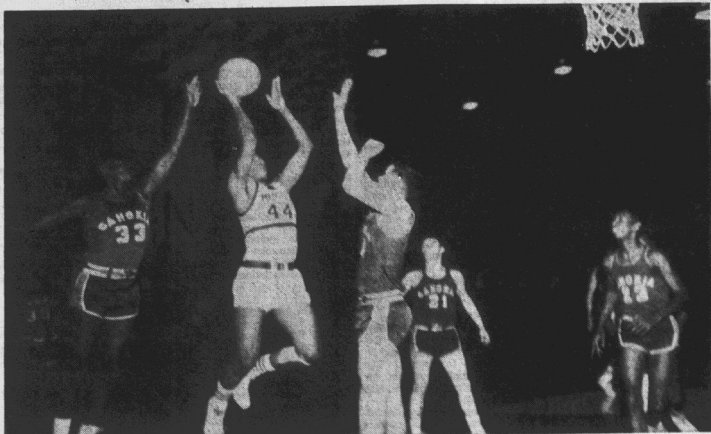

Cahokia hurt its cause by missing 15 of 29 free throws, and lost the ball without getting a shot on 24 occasions during the game.

**Kacera Signs, Moving Up in Minor Leagues**  
Paul Kacera, 3120 Willow avenue, has signed his 1968 contract with the St. Louis baseball Cardinals and conferred this week with Joe Medwick to discuss where he will play.

He will move to a higher league from the Gulf Coast League, where he played for Sarasota, Fla., last year. The GCHS graduate, a former member of the Hearts and Legion Post 113 teams will take part in spring training with the major league club beginning next month in St. Petersburg, Fla.

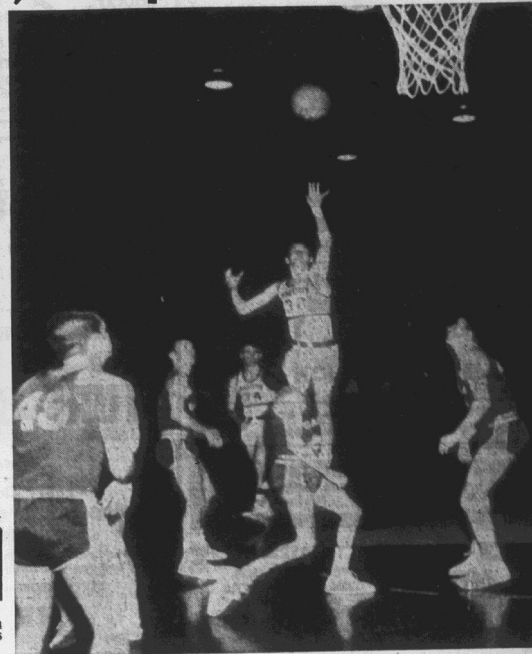

The average daily patient census in Veterans Administration hospitals for the past six months is approximately 98,000.

Kill all the time you wish, but be sure it is your own.

**SURROUNDED BY COMANCHES**, Madison Trojan Joe Collins (44) manages to get off a successful jump shot in Tuesday's game at the Madison gym. The Trojans won 93-63 and Collins made

18 points. Cahokia players pictured are Arnold Cozart (35), Charley Robinson (33), Mike Darnell trying to guard the shot, John Walker (21) and Robert Davis (23).

**GARY LUSK** scores his 37th and 38th points in the Madison high school vs. Cahokia game here Tuesday night. The Trojans Lusk (32) shoots over players trying to guard him. The Trojans won and took over first place in the Midwestern Conference. No. 34 of Madison is Dale Clinton.

## Fedora Heads Athletics in GC Schools

Joseph Fedora was named Monday night as director of athletics and junior high and high school boys' physical education, effective with the 1968-69 school year.

He will succeed Richard Yates, who will be an assistant junior high principal. Yates' specific assignment has not yet been made pending other junior high personnel decisions.

Fedora will continue his duties this spring as GCHS baseball coach, physical education teacher and head of the driver education department. He resides at 3405 Kilarney drive with his wife and two children.

Born in Granite City and a lifelong resident except for Air Force service during the Korean war, he graduated from GCHS, where he was on the wrestling, tennis and baseball teams.

He also graduated from SIU, Carbondale, where he was wrestling co-captain. After serving as head wrestling and golf coach and sophomore football coach at Morgan Park Military Academy, Chicago, he returned to Carbondale as a graduate assistant and obtained a master's degree.

At present, Fedora is completing work at SIU-SW for a six-year certificate in educational administration.

A GCHS teacher 11 years, he

## JOSEPH FEDORA Director of Athletics

was assistant wrestling and assistant football coach in 1957-61 and assistant baseball coach in 1957-60.

Head baseball coach since 1961, Fedora has led Warrior teams to a record of 155 wins, 67 losses and six ties, with two Southwestern Conference championships and three second-place finishes. The team at present is the defending champion.

His GCHS baseball squads have won five district tournaments and four regional meets and advanced to the state tournament once, finishing second in Illinois in 1963.

**Coolidge, Prather In Meet Semifinals**  
Coolidge junior high beat Webster 52-37 and Prather topped Collinsville North 50-46 in the opening round of the Madison County Junior High Conference basketball tournament Tuesday at Webster school in Collinsville.

Prather will oppose Roxana at 6:15 tonight and Coolidge will meet Edwardsville at 7:45 tonight. The winners will clash for the championship at 7:45 p.m. Friday.

Top scorers Tuesday were Mike DeKuntz 18 and Eric Stuber 15 for Coolidge and John Ireland 22 and Virgil Keeton 12 for Prather.

**Regional Tickets Available Monday**  
GCHS-Madison regional basketball game tickets for the March 4 clash at GCHS will go on sale at Granite City high school Monday. The tickets are \$1.25 for adults and 75 cents for students.

Principal Lawrence McCauley said some sets of tickets for the full regional tournament March 4-8 are still left. They cost \$6.25.

**Venice Quint 18-4 But Still No. 2 in League**  
The Venice Red Devil basketball team won its 18th game of the season in 22 starts Tuesday evening as it defeated Weslins 77-50 at Trenton home court.

The non-league game left Venice marking time in the 22nd Conference at 8-2, a half game behind Bunker Hill's 8-1. Quarter scores at Weslins were 16-13, 31-28 and 59-43.

## GC Police Dogs, Film Available To Local Groups

The Granite City police department is offering programs, featuring speakers, its canine corps and a film to local organizations and schools, Police Chief Ronald Veizer announced today.

The department's two police dogs recently completed a re-training program and are in a continuing training program in conjunction with the St. Louis canine corps, Veizer said. The trainers and their dogs will be available for demonstrations before local groups.

The chief also announced that the dogs will be used periodically to patrol schools to halt vandalism and break-ins. The dogs will be released inside the buildings, he added.

The department now is offering the film "Every Hour, Every Day," along with speakers, for showing to groups. The "Helping Hand" program for safety of school children also is continuing.

Groups interested in scheduling the programs may contact the office of the police chief.

## Traffic Deaths Down in State

January traffic deaths totaled 156, a decrease of 15% from the 182 reported in the same month last year, according to the Illinois Division of Highways.

Francis S. Lorenz, director of the Department of Public Works and Buildings, said the traffic fatality total for 1967 now stands at 2592, a decrease of 20 from the 2622 fatalities recorded in 1966.

Last year was the first since 1960 in which Illinois' traffic fatalities were less than the total for the previous year, Lorenz said.

## GC Kiwanians Host 'Ladies Night' Party

"The Compatibles," a barber shop quartet, furnished the entertainment Monday evening for a "Ladies Night" event, hosted by the Granite City Kiwanis Club.

Thirty attended the Valentine dinner party in the Rose Bowl, including guests, Mr. and Mrs. George Cook of Columbus, Ind., and Mr. and Mrs. Richard Coleman of Edwardsville. Cook, a Union Star and Refining Co. executive, and Coleman are members of Kiwanis organizations in their home communities.

Robert Lombardi, program chairman, introduced the singing foursome whose everyday occupations include a stockbroker, insurance agent, railroad switchman and a molder from an Alton industrial plant.

Members of the quartet are Robert Stuart, James Ryan, George Baggett Jr. and Arthur Fowler, who provided a selection of "old-fashioned" favorite melodies.

Dinner tables were decorated in the Valentine's Day theme. An arrangement of spring flowers was presented to Mrs. Michael Toundas, wife of the Granite City Kiwanis president. Mrs. Lombardi was responsible for the table decorations and favors.

Next week, local Kiwanians will observe "Brotherhood Week," with Bonard Maples in charge.

## Hospital Administrators Attend 3-Day Seminar

The administrative staff of St. Elizabeth Hospital returned this week from a three-day management meeting held in Chicago, sponsored by the American College of Hospital Administrators.

Making the trip were Sister Mary Thomas, administrator, Sister Mary Paul, associate administrator, and Gerald Reifschneider, resident administrator.

Sister Mary Thomas and Sister Mary Paul hold membership in the international professional society, and more than 1700 of the leading hospital and related health care administrators from the U.S. and Canada were in attendance.

The 11th Congress on Administration, as the program was formally named, provided hospital and health care leaders an opportunity to learn the latest advancements in the managerial sciences. Speakers were from the fields of business, government, education and communications.

## Name New Supervisor of Child Services

Arthur Jenkins has been appointed supervisor of the East St. Louis district office of the Illinois Department of Children and Family Services which includes Madison, Monroe and St. Clair counties, it was announced yesterday by Cyril Winking, department director.

Jenkins will supervise a staff of 25 child welfare workers and nine clerical employees who serve families in the three counties. Services include family counseling, protective services, foster care, placement adoption, help for unmarried mothers, licensing of child care agencies and other child welfare activities.

The new supervisor is a former East St. Louis school teacher and has been employed by the department's child welfare division since 1960. He previously was in charge of the office's intake and protective services unit.

### B&PW to Hear Air Force Nurse

The World Affairs dinner chairman, Mrs. Pauline Weir, announced this week that Capt. May L. Liebeck, recently assigned Nurse Advisor to the 3507th USAF Recruiting Group, St. Louis, will be the featured speaker at 6:30 p.m., Wednesday, Feb. 21 at the Rose Bowl restaurant for members and guests of the Granite City Business and Professional Women's Club.

Capt. Liebeck, since beginning her nursing career in 1954, has served as a staff nurse at Stanford University Medical School Hospital, head nurse in the operating room at Providence Hospital, Seattle, Wash.

Upon entering the Air Force in 1959 she served as operating room supervisor at the air base at Mobile, Ala. She is a graduate of Flight Nursing School, Brooks AFB, Texas, and received her Masters Degree in Nursing Service Administration from the University of Maryland.

Capt. Liebeck returned from Vietnam last year where she had helped evacuate thousands of sick and wounded soldiers from Vietnam in more than 200 hospital flights to the Philippines and the U. S. mainland. In her present assignment as nurse advisor, Capt. Liebeck is responsible for the coordination and monitoring of the nurse recruiting program in the St. Louis area, including advising, counseling, and interviewing nurses interested in the Air Force Nurse Corps.

### Peace Corps Topic of Club

A report on the Peace Corps highlighted the February Madison Junior Service club meeting Tuesday evening at the Madison recreation center.

Miss Jeanette Tritant president, officiated at a business session prior to the program. Mrs. Alberta Mikolajuk read a charity report. A note of thanks was received from the Department of Mental Health; the members had sent Christmas gifts to the patients. A preliminary report on the March of Dimes was given.

The group discussed a junior club federation luncheon held at SU-W, where the Madison club was the hostess club.

Miss Betty Lavelle spoke of her experiences in the Peace Corps, in which she served for two years. She was a Madison resident prior to moving to Granite City.

A discussion followed the talk, with the members asking about various phases of Peace Corps activities.

Lunch was served by the hostesses, Mrs. Loretta Hylla, Mrs. Jeanette Kern, Mrs. Dorothy Smith and Mrs. Judy Donaldson.

Prizes were awarded to Mrs. Doris Paterson, Mrs. Cathy Lybarger, Mrs. Loretta Hylla, and Mrs. Eileen Huelskamp, a sustaining member.

The next meeting will be held March 13.

### Unit 113 Plans Poppy Days

Plans for Poppy Day sales next May were discussed by Tri-City Unit 113 of the American Legion in a regular meeting at the post home last night.

Plans also were made for next president's parley dinner to be held in Wood River April 30.

Members also made plans for a visit to the Alton State Hospital today to visit veterans, and for the regular Madison County meeting to be held at Alton next Wednesday. Announcement was made that a film will be shown at the next regular unit meeting on Feb. 28 by Victor Koenig, director of the Granite City Civil Defense. Hostess at last night's meeting was Ethel Petri.

Games were played and prizes awarded to Dorothy Best, Esther Harris, Helen Qualls, Loretta Goeller and Mildred Rees.

## Thieves, Burglars Active In Quad-Cities This Week

Thieves were busy in the Quad-Cities area this week, with 19 theft reports to local and county authorities. Burglars hit the Mitchell Public Water District office for a third time and also entered five other businesses, as well as homes and apartments. There were six thefts involving motor vehicles.

Burglars broke into the offices of the Mitchell Public Water District last night for the third time since last July and took a typewriter and an electric adding machine valued at \$350. Entry was gained by breaking the glass out of a rear door. The thieves then pried open a door leading to the offices.

A week ago burglars broke into the offices in the same manner and caused damage to doors and filing cabinets estimated at \$400. No money was taken. Last summer a similar break-in occurred in which considerable damage was caused but nothing stolen.

Money from pinball and cigarette machines was stolen in a burglary at Mary's Grill, 20th and State streets, it was reported at 7:45 a.m. today by Mary Prankis, proprietor. The amount taken was unknown. Entry was gained by breaking the front door lock.

**Restaurant Burglary**—Money, meat and cigars were stolen in a burglary at the Family restaurant, 1 Eldorado lane on Highway 162, it was reported to the county sheriff's office at 5:50 a.m. today.

Mike Knezovich, proprietor, reported that an unidentified man entered the restaurant and took a juke box and cigarette machine which were pried open. In addition to five pounds of pork sausage, 20 pounds of spare ribs, two two-pound packages of bacon, a 10-pound breakfast ham, 12 T-bone steaks, 40 pounds of cut chicken in plastic bags and two boxes of cigars.

Burglars took 40 cents from a cash register, six pounds of hamburger, five pounds of pork tenderloin and money from a juke box and cigarette machine which were forced open in a break-in at Key's luncheonette, West 20th street and Missouri avenue, it was reported at 5:40 a.m. today. All drawers were ransacked. Entry was gained by breaking the front door glass.

**Woman Charged With Theft**—Ailie Childs, 45, of 97 Hill street, Eagle Park Acres, was arrested by Venice police at 6:55 p.m. Tuesday on a charge of petty theft. The woman was apprehended at the Tri-City Grocery store officials charged she had stolen a package of candy. She posted \$50 cash bond pending a magistrate hearing March 6.

A spool of copper wire valued at \$125 and three gallons of antifreeze were stolen in a burglary at the Quality Sand Co., 449 Highway 162, during the weekend, it was reported to the Madison county sheriff's office on Monday. The firm also was burglarized last Thursday night.

An unsuccessful effort was made to burglarize the Singer Sewing Center, 1235 Nineteenth street, Sunday night, it was reported Monday. A bar was used to try to force the rear entrance, damaging the door and frame. As burglars had broken through the door last Thursday night, supports and a cross bar were installed across the door.

Coin-operated washer and dryer machines were broken into at 1235 Nineteenth street, Sunday night, it was reported Monday.

**REESE, WALTER A.**, 1400 Twenty-seventh street, entered into rest 1:40 a.m. today, Feb. 15, 1968, St. Elizabeth Hospital.

Beloved husband of Mrs. Isabelle Reese; dear father of John W. Reese; dear grandfather of Ben, Walter, Jeff, Mary, Anise and Christine Reese; dear father-in-law.

Funeral 9:30 a.m. Saturday, Feb. 17, from PIERP FURNAL HOME, 1929 Cleveland blvd., to Sacred Heart Roman Catholic Church, 2600 Washington avenue, for 10 a.m. Requiem Mass. Interment Calvary Cemetery, Edwardsville township. Recitation of the Rosary 7:30 p.m. Friday. Friends may call after 7 p.m. today.

In lieu of flowers, the family requests expression of sympathy be made through contributions to Ellis Crippled Children's Fund, Lodge 1063.

## 8 Persons Hurt In Crashes

Four persons were injured when an auto driven by Mrs. Barbara Hall, 23, of Glen Canyon, struck the side of another driven by Robert L. Heagy, 49, of 7044 Main street, Venice, 8:25 p.m. Wednesday at Lincoln and Hall avenues. The Heagy auto skidded 180 feet, struck a street sign and came to a halt on top of the curb.

All four persons were taken to St. Elizabeth Hospital for treatment and were released. Heagy received x-rays of the chest.

Mrs. Hall underwent x-rays of the skull, left knee and spine. Her two children, Donna, three, and Greg, also received skull x-rays.

Police issued a ticket to Mrs. Hall on a right-of-way violation. She said she slowed at a yield sign but saw no traffic.

Three persons suffered minor injuries about 5:40 p.m. Tuesday in a two-car crash at 20th street and Edison avenue. Injured were both drivers, Patricia Kukarola, 21, of 2028 Cleveland blvd., who was going north, and Donna Asbeck, 20, of 2725 Iowa street, who was going east and was charged with failure to yield right-of-way. A passenger in the Asbeck auto, Bobbie Braden, 20, of 2538 State street, also was hurt.

**Injured Driver Arrested**—Eleanor Leonard, 19, of 613 Meredocia street, Venice, was arrested and x-rayed at St. Elizabeth Hospital at 5 p.m. Tuesday for back and rib injuries suffered in an accident at Meredocia and College streets, Venice. Police reported a car driven by Miss Leonard and one driven by William Skinner, 35, of 2670 Edwards street, collided at the intersection.

Miss Leonard was booked by police on a charge of driving without a driver's license and driving with an open bottle of liquor in her car. She was released on a \$500 cash bond for hearing March 6. Skinner was ticketed for disobeying an officer directing traffic. He posted his driver's license as bond pending a hearing on March 6.

## Dr. J. T. Patterson, Retired Oculist, Dies

Dr. J. T. Patterson, about 82, of 2817 Charles street, died this morning at Greenville Nursing Home.

He lived in Granite City 10 years and was a retired oculist. He previously lived in St. Louis.

Survivors include his wife, Mrs. Viola Patterson; three daughters, Mrs. Maxine Jones, wife of Dr. Gale Jones of Granite City, Mrs. Claudine Harrold of Chicago and Mrs. Nellie Shaw of Greenville; two sons, Russell Lockhart of Granite City and William Lockhart of St. Louis, and grandchildren.

An obituary notice appears elsewhere in this issue.

## Helicopter Pilot Wachter Suffers Wound in Vietnam

Warrant Officer John J. Wachter, son of Mr. and Mrs. John A. Wachter of Granite City Route One, was wounded in action in Vietnam Jan. 31, it has been learned here.

Serving as a helicopter pilot, he was hit in the left leg when a shell fragment came through the front of the 'copter. The unit immediately broke formation and took him to a nearby hospital, where surgery was performed.

He was transferred to the Philippines and then to Hawaii, where he underwent a second operation at the Tripler Hospital. He will recuperate there. He wrote his parents that he thinks he will be there for eight weeks before returning to duty.

Born and reared in Mitchell, he attended Mitchell grade school and Granite City high school. He was graduated in June 1955, after which he enlisted in the Army and served three years.

He again enlisted in May 1966 and entered the helicopter school and graduated as a pilot June 30, 1967. He left the U. S. for overseas duty in October. Since his injury, he has been awarded the Purple Heart.

His address is WO1 John J. Wachter, W315680, Ward 9, U.S.A. Tripler General Hospital, San Francisco, Calif. 96638.

## Mrs. Frances Carlton, 61, Dies Unexpectedly

Mrs. Frances P. Carlton, 61, of 2206 Grand avenue, was dead on arrival at St. Elizabeth Hospital at 1:45 p.m. yesterday. Mrs. Carlton had been in ill health for a long period and had only returned home Monday from a two-week stay in the hospital. An inquest is scheduled to determine the cause of death.

Mrs. Carlton was born in Sligo, Mo., and had lived in Granite City for the past 40 years. Her husband, Thomas Carlton, died in March 1964.

She leaves three daughters, Mrs. James (Roberta) Garner and Mrs. Earl (Shirley) Smith, both of Granite City, and Mrs. George (Dolores) Keely of Colona, Ill.; two brothers, Ray Wailes of St. Louis, and James Wailes of Ellipton, Mo.; two sisters, Mrs. Zoe Anderson of Venice, and Mrs. Clarice Barcraft, Calumet, Ill., and six grandchildren.

Funeral arrangements are given in today's obituary column.

**Minor Collision Damage**—Minor damage to cars driven by James R. Harris, Glen Carbon, and A. M. Bradford, 2118 Pontoon road, was caused by a collision at the Bellemeor Shopping Center exit near Johnson and Carlson avenue at 12:40 p.m. yesterday. Police said the mishap occurred when the motor of Harris' car died and the auto rolled back into Bradford's car.

## Bingo, Gambling Remain Illegal, Velzer Stresses

The recent U.S. Supreme Court ruling outlawing gambling tax stamps has no effect on the ban on bingo games or other forms of gambling here, Police Chief Ronald Velzer stressed today.

The policy on gambling has not changed and the department will not tolerate any violations, he added, and the ruling does not affect the ordinances of the state of Illinois or of Granite City.

"Any known gamblers who attempt to settle in this area will be dealt with according to law and will not be tolerated," he said.

Chief Velzer said he has received a number of telephone calls from local organizations regarding the Supreme Court ruling.

## 'Well Baby' Clinic Set for Tuesday

The "Well Baby Clinic" sponsored by the Madison County Economic Opportunity Commission at the Neighborhood Service Center, 145 Madison avenue, Madison, will be operated from 11 a.m. to 2 p.m. Tuesday, according to Mrs. Paula Webb, center health specialist.

Families with infants six weeks to 12 months and preschool children up to five years, whose incomes fall within the poverty guidelines set up by the Office of Economic Opportunity, can make an appointment for the clinic by calling 451-7024 or by visiting the center prior to Tuesday.

Mrs. Webb called attention to expansion of services offered at the clinic which now are available to youngsters up to five years. Previously, the clinic was operated solely for infants.

A total of 22 children was examined and given TB skin tests by the volunteer medical staff at the last session. From those examined, several children were referred to other agencies for additional treatment and services, including St. Elizabeth Hospital's immunization clinic, Mrs. Webb explained.

## Venice Soldier Home; Enroute to Germany

Army Specialist Fifth Class Robert J. Duboise is spending a three-week leave at home with his wife, the former Miss Connie Canimore, and two-year-old daughter, Melissa Hope, prior to departing next month for a three-year assignment in Ludwigsburg, Germany.

SP/5 Duboise, 21, a son of Mr. and Mrs. James Duboise of Apt. 74, Venice Homes, entered the Army three years ago today. He re-enlisted for an additional three-year period late last summer.

The Venice high school graduate served 334 days in Vietnam during 1966 and, most recently, was stationed at Fort Belvoir, Va. While based in Hawaii, just before embarking for Vietnam, SP/5 Duboise was visited there by his wife for 15 days.

Mrs. Duboise and Melissa are looking forward to re-joining her husband in Germany in March or April. The soldier will report March 4 at Fort Dix, N.J., prior to leaving for Europe.

late Court in Springfield. A temporary injunction was granted last week by Judge Crest Douglas on petition filed by the Illinois Auto Salvage Dealers Association.

Local board members asked the technical secretary to obtain information from Granite City Steel Co. on the effectiveness of its precipitators on its basic oxygen furnaces and if the units are reaching peak efficiency.

Chairman Bieniecki said complaints from individuals living in the vicinity of the plant and also those living near Union Starch and American Steel will be forwarded to officials of those industries.

Secretary Erwin Hoelscher said that action by the board would be delayed until after the air pollution control programs are outlined by the firms.

Revisions in Few Days

He reported that revisions to the city control laws to clarify several points are being prepared and that he plans to submit a draft to the city council for review within a few days.

Bieniecki reported that while the board's functions in the past three months have been curtailed by the cloudiness of the city-state control laws, the commissioners plan to proceed with their activities. He explained that because of the changes in the law and the revisions pending from Prof. Hoelscher, the mayor has held up the filing of an application for federal funds and has limited the activities of the technical secretary.

The board has not met since November, and the members discussed in general the status of controls in the city. Prof. Hoelscher said the state board has ignored inquiries concerning the mobile monitoring system that was to have been placed here last fall.

Whitmer, who is the city council's representative on the board, commented that several weeks ago after a heavy rain, he noted that water was running "red in the streets" in the vicinity of Granite City Steel Co.

Prof. Hoelscher explained that this problem was an accumulation of flyash since heavier particulates would fall mostly on the plant's own property.

In closing the session, the members considered a motion proposed by Dr. Wilkins to restate policies, but it was decided to table the motion until the city ordinance is revised by the city council.

## Two Zoning Permits Approved by County

Two requests for special use permits were approved and one was denied by the Madison county board of supervisors Wednesday on the recommendation of the county zoning board of appeals.

Approved were petitions of Philip G. Cripps, owner, for a television sales operation in his home in an R-3 one-family residence district in Chouteau township.

Ruby E. and Lyman Worthen, owners, and W. Eugene and Marguerite Schaefer, purchasers, to operate a rock hobby shop and erect a sign at the rear of property in an R-3 one-family residence district in Chouteau township.

The board denied the petition of Walter and Olive L. Chatman, owners, for a service station in an R-3 one-family residence district in Namechi township.

## Trust Bank Promotes Hurry, Elects McDonald as Cashier

Election of two new officers by the board of directors of the Granite City Trust & Savings Bank was announced yesterday by Ernest A. Karandjef, president and chief executive officer, who said Elmer A. Hurry was elected a vice-president and John L. McDonald to the position of cashier.

McDonald formerly was with the First National Bank of Champaign, where he was in charge of the bookkeeping and proof operations. He has a BS degree in finance from the University of Illinois and has a degree from graduate school of banking at the University of Wisconsin as well as certification from the American Institute of Banking.

He is a member of the Optimists and Elks clubs and is active in the Boy Scouts, along with numerous business, civic and church programs. McDonald, his wife and three children will become Granite City residents.

Hurry, formerly cashier, resides at 1837 Lindell blvd. He has lived in Granite City 54 years and has been at the bank for 40 years.

## State Capitol NEWS

### Pollution Control Bond Issue

Many statewide influential and interested organizations have volunteered to support the \$1 billion Illinois Resource Development Bond Issue, Gov. Otto Kerner said in selecting William L. Rutherford of Peoria and Maynard P. Venema of Northfield to head a committee charged with the responsibility of informing the public of the issues involved.

The referendum calls for a program of air and water pollution control, recreation development, flood control and water supply and water management. It will be placed before the voters on Nov. 5, 1968.

Rutherford, 52, a lawyer by profession, directed a land acquisition program for the Forest Park Foundation that has resulted in nearly 12,000 acres of open space in the three-county Peoria metropolitan area.

Venema was elected president of Universal Oil Products in 1955 after a career with the firm that spans some 30 years. In addition to memberships in numerous professional societies, he is the director of the Max McGraw Wildlife Foundation.

### Beetle-Caused Quarantine?

Parts of Illinois may be quarantined some time in 1968 because of the cereal leaf beetle. Entomologists of the Illinois Natural History Survey expect increased invasion by the beetles during the year.

Such a quarantine, currently in effect in parts of Indiana, Michigan, Ohio and Pennsylvania, means added expense and inconvenience for Illinois agriculture, according to Dr. George Sprugel Jr., chief of the survey. The western corn rootworm, northern corn rootworm and the alfalfa weevil are insect invaders Illinois farmers can expect to battle in the coming crop year, according to Dr. Sprugel.

### New Oil Fields

Two new oil fields in Illinois, Litchfield South in Montgomery County and Millersburg in Bond County, were reported in December, according to John C. Frye, chief of the Illinois State Geological Survey Division of the Department of Registration and Education.

### Where's That Fishin' Hat?

Anglers caught about two fish per hour of fishing last year at the lake in Murphysboro State Park, the Illinois Department of Conservation has stated. This catch rate is four times higher than the national average of one fish for two hours of fishing.

Lake Murphysboro produced more fish per hour of angling than any lake created in the state last year. Biologists attributed much of the fishing success to the fact that the lake was drained, refilled and restocked four years ago after investigations revealed that it was overcrowded with small, undesirable fish.

Bluegill was the most common fish caught, followed by redear sunfish and largemouth bass. Bluegills and redears averaged one-fourth pound in weight and bass averaged over 1½ pounds at Lake Murphysboro. Data gathered showed that about 11,000 fishermen caught over 15,000 pounds of fish at the 145-acre impoundment in Southern Illinois.

Silver pins and State Record Fish Certificates will be awarded to four anglers who established new records in 1967, the

## Retired Civil Service Workers Add Members

The National Association of Retired Civil Employees, Granite City Chapter 1067 met at the Officers Club at the Granite City Army Depot Monday evening, with 22 members attending.

Sidney M. Harris, field representative, announced the new national and chapter members are Mrs. Grace Johnson, Mrs. Mabel Simmons and Walter A. Franklin. National members of 1967 included E. H. Breckenridge and Mrs. Fred Fosselick. Harris spoke on the NAREC, explaining it is the only organization in the nation working for the welfare of retired civil employees for their benefits. He told of the cost of living increase, hospital and health plans, increases in taxes and possible exemptions, and the current bills in Congress which will benefit the members. He urged the group to write Congressmen on the bills now under discussion.

A report from Donovan B. Daniels was received in which he said the financial retirement fund is solvent, and it is not expected the foundation will go bankrupt.

Mrs. E. A. Ervay and Mrs. Mabel Simmons were appointed to serve on the sunshine committee, and Walter Franklin was appointed as chairman of the legislature committee.

After the meeting, Franklin, whose hobby is making scale models of buildings, displayed one he had completed of the Madison post office.

The next meeting will be at the Depot on March 11 at 2 p.m. All retired civil employees, their husbands and wives are invited to attend.

## Illinois Department of Conservation has announced

Dr. Edward Krivacek, Dixon, caught a seven-pound, one-ounce brown trout; Bill Rolando, Nora, caught a five-pound, 12½-ounce sauger; Mrs. Alice Edwards, Mt. Vernon, caught a four-pound, five-ounce white crappie and Gilbert L. Parkin, Lawrenceville, caught a four-pound four-ounce black crappie.

Biggest entry in the large-mouth bass category was submitted by Frank P. Amato, South Beloit, a ten-pounder.

Horse Show Judges  
Judges for the National Championship Horse Show at the 1968 Illinois Sesquicentennial State Fair were announced by Light Horse Show Secretary Mrs. Virginia Comstock.

# SOCIETY

**BETROTHED.** Miss Mary Alice Young, daughter of Thomas Martin Young of Lake Zurich, Ill., and the late Mrs. Dorothy (Peiper) Young, whose engagement to Frank J. Markovich Jr., son of Mr. and Mrs. Frank J. Markovich sr., 1638 Third street, Madison, is announced.

## July Wedding Is Planned

The engagement of Miss Mary Alice Young, daughter of Thomas Martin Young of Lake Zurich, Ill., and the late Mrs. Dorothy (Peiper) Young, whose engagement to Frank J. Markovich Jr., son of Mr. and Mrs. Frank J. Markovich sr., 1638 Third street, Madison, is announced by the bride-elect's father.

The prospective bridegroom, whose parents, Mr. and Mrs. Frank J. Markovich sr., reside at 1638 Third street, Madison, attended Madison schools and is employed at Smith Enterprises in Collinsville.

Miss Young was graduated from St. Theresa's Academy in East St. Louis. She is employed in the Administration Department at Southern Illinois University-Southwestern campus.

The couple is planning to be married in July.

## Indoor Herb Garden is Topic

The Cloverview Garden Club met Tuesday for a 12:30 dessert luncheon in the home of Mrs. Leo A. Roman, 3212 Colgate place, followed by a business meeting.

Mrs. Fred Orr, president, presided, and the Club Collect was read by Mrs. V. J. Lisc.

Plans were discussed to attend the annual District 5 meeting in O'Fallon on Feb. 22.

A comprehensive study on "Herbs, How to Grow and Use Them," with emphasis on indoor herb garden was given by Mrs. Robert McCauley.

The program, a recipe for a vegetable dish using herbs, was presented by Mrs. Roman. Those attending were Mesdames John Jenkins, Kenneth Brokaw, George Knapp, V. J. Lisc, William Bradley, Louise Sedlak, Miss Helen Heilers and a guest Mrs. Harry Epstein.

Mrs. Knapp invited the club members to meet in her home on March 12.

## Madrigal Group Entertains

The February meeting of the Granite City Steel Women's Association was held at the company dining room Tuesday evening. Valentine hearts and flowers decorated the tables and room.

After a short business session the group were entertained by a group of Madrigal Singers from Granite City high school, under the direction of Warren Simpkins.

Mrs. Helen Redfern received the evening's prize. Mrs. Ann Cawmorg, chairman, chose Mrs. Ruth Hancock and Mrs. Wilma Tongue to assist her with the meeting.

## St. Peter Church FAC Class Observes 50th Anniversary

The 50th anniversary of the FAC Class of St. Peter United Church of Christ was observed Monday evening with a dinner party at the Grand Cafe. Three charter members attended the festive occasion.

Centering the dining table was a bouquet of spring blossoms, arranged in a gold vase. Favors were tiny white and gold heart-shaped boxes, filled with Valentine candies.

Each member was presented a yellow rose corsage by the former class teacher, Mrs. Eleanor Patterson. The golden anniversary celebration also was marked with other gifts distributed to those present by Mrs. Esther Zimmer and Miss Thelma Weissenborn.

Following the dinner hour, games were played with prizes awarded to Miss Weissenborn, Mrs. Gladys Kadar and Miss Ann Soechtig.

Others attending were Mrs. Florence Hadaller, Mrs. Alice Bohnenstiel, Miss Myrtle Soechtig, Mrs. Virginia McLeser, Mrs. Frieda Bennington, Mrs. Marie Whittle and Mrs. Thelma Markgraf.

Current class officers include Mrs. Hadaller, president; Miss Weissenborn, vice-president; and Mrs. Bohnenstiel, secretary-treasurer. Members will next meet in March at the home of Mrs. McLeser.

## Valentine Theme Farewell Party For Ruth Class For Mrs. Parker

The Golden Circle club of Kirkpatrick Homes honored Mrs. Louise Parker, youth coordinator at the housing project, at a pot luck luncheon Tuesday in the Kirkpatrick recreation hall.

David Morgan, Granite City Housing Authority executive director, announced that Mrs. Parker is being transferred to similar work in the Alton area by the Illinois Youth Commission.

Mrs. Parker was presented a gift in appreciation of her services here and also was given a birthday cake in observance of her birthday. Guests included her husband, Howard Parker.

Mrs. Ellen Christy, president, and Rev. Edward Hamilton of First Baptist Church offered prayer.

A business session was scheduled for Feb. 27 and the next meeting for March 12. Both will be held at the recreation hall.

Guests included Mrs. Edward Hamilton, Mrs. Verna Willard of Mitchell and Mrs. Nancy McIntosh, Mrs. Lela C. Feut and Arthur Whitworth, all of Granite City.

Closing prayer was given by Mrs. Carmack. Prizes during social hour went to Mrs. Dorothy Born and Mrs. Helen Redfern.

A dessert luncheon was served by the hostesses to those named and Mrs. Vi Wallace, Mrs. Zowanday Smolich and Mrs. Jerry Short.

## Club Attends Television Show

Members of the Dizzie Doren Pinocchio Club and their guests attended the Charlotte Peters TV show on Monday.

Those attending were Mesdames Mary Murgic, Loretta Coleman, Rhela Grove, Dorothy Kovalik, Mary Tucker, Evelyn Ferro, Mary Menz, Betty Rutkowski, Marian Lipscomb and Mesdames Diana Andrews, Ethel Smith, Phyllis Smith, Hazel Cockrell, Helen Ortolan, Elizabeth Gorgoli, Irene Karlichek, Frances Jones, Loretta Pritchard, Roberta Cauble and Delores Craycraft.

Following the show the group toured the Jewel Box to see the spring flower showing.

In the evening, the members of the club met in the home of Mrs. Lipscomb for a regular meeting.

Those winning prizes in card games were Mesdames Dorothy Kovalik, Mary Murgic, Delores Craycraft and Loretta Coleman.

Mrs. Coleman will be hostess to the next meeting on March 11 when the club have a Secret Pal gift exchange.

## Thorngate Club Valentine Theme

Mrs. Wanda Kincaid served a dessert luncheon from tables decorated in a Valentine theme to members of the Thorngate Garden club Tuesday in her home.

Mrs. Beulah Miller, president, conducted the business session, with each member answering roll call with a quotation.

Plans for new yearbooks were discussed and it was decided that each member will design her own book cover. A "white elephant" sale was held.

Mrs. Carolyn Moser, past president, presented Mrs. Miller with her past president pin.

The March 12 meeting will be with Mrs. Clara Schilling.

Others attending were Mesdames Ida Hanfelder, Elizabeth LaVelle, Pat Polley, Mary Markham, Clara Schilling, Lillian Delp and Pearl Young and Miss June Markham.

### Talk at Webster On School Needs

The February meeting of the Webster school PTA was held Tuesday evening at the school, with Miss Elise Girard presiding and Assistant Supt. Frank Kraus speaking on future school construction needs.

Boy Scout Troop 20, under the direction of Tom Watkins, gave the opening flag ceremony. The PTA prayer was led by Principal Clyde Lee.

Miss Girard gave a report on additions to the Webster PTA bylaws and a copy was given to each member attending. Reports were presented by Mrs. Betty Woodruff, secretary, and Mrs. Shirley Toland, treasurer.

It was announced that the Webster school picnic will be held at Flanders Park on May 9. In a Founders Day program, Webster PTA past presidents attending were introduced.

They were Mrs. Helen Santagato, Mrs. Elizabeth Keck, Mrs. Jeanette Morlin and Gerald Lux. Mrs. Santagato gave a brief history of the Webster PTA.

**BRIDE-TO-BE.** Miss Joyce Ann Wyatt, whose engagement to Lance Cpl. Fred D. Epperson is being announced by her mother, Mrs. Barbara M. Wyatt, 2137a Edison avenue.

### Miss Wyatt Is Engaged

Mrs. Barbara M. Wyatt, 2137a Edison avenue, is announcing the engagement and forthcoming marriage of her daughter, Miss Joyce Ann Wyatt to L/Cpl. Fred D. Epperson, son of Mr. and Mrs. Ray Epperson, Tazewell, Tenn. Miss Wyatt was graduated from the local high school in

1967 and attends SIU-SW campus.

The prospective groom is a graduate of Calhoun county high school, Tazewell, Tenn., and entered the Marine Corps in 1966. He has been stationed at the El Toro Marine Corps Air Station, Santa Ana, Calif., as a crash crewman and will be leaving soon for overseas duty.

Wedding plans are indefinite

## Women Make Dressings For Local Cancer Patients

Local cancer patients whose bandage needs could cost them many dollars a week are being supplied through the ecumenical efforts of local church women.

Thirty-four women, representing St. Peter United Church of Christ, St. John United Church of Christ, Central Christian, Hope Lutheran, St. Bartholomew Episcopal, Niedringhaus Methodist and First United Presbyterian Church, met Tuesday at the First United Presbyterian Church to make bandages, which are distributed free through the American Cancer Society.

The bandages are collected for seven local serious cancer patients currently receiving weekly supplies of the soft cotton dressings.

Mrs. Beryl Nyboer, production chairman for the Quad-Cities, said it is not unusual for a patient to need 15 dressings a week and they could cost commercially as much as 50 cents a piece. Old sheets are collected, washed, ironed and taken to the all-day meeting where they are torn into required sizes and wrapped around a cellulose-cotton inner material. The cellulose-cotton is furnished by the American Cancer society.

Local patients include a young mother, retired persons and several in the low income bracket. The dressings are custom made for the individual

depending on the return of L/Cpl. Epperson from overseas.

patient, on the recommendation of the doctor.

The local churchwomen meet on the second Tuesday of each month at the First Presbyterian Church for this project.

### Group to Aid Heart Fund

The fourth business meeting of the Alpha Xi Sorority was held Tuesday evening in the home of Mrs. Virginia Peters.

Mrs. Joyce Albers, president, gave the opening ritual and roll call taken by Miss Betty Bucath.

F. D. Finley, Heart Fund director, distributed material for the drive to be held Sunday, March 3. The sorority will make up packets and collect for the Granite City area.

The March welfare project will be to sponsor a team in the summer park district program. Ways and means committee announced a candy sale at Easter and the February social will be a smorgasbord at Rusty's in Edwardsville on Feb. 27. A donation was made to the Disaster Fund and ESA Home Board.

The educational program was presented by each member giving a brief biography of herself.

The next business meeting will be with Mrs. Rosalind Buente.

During the social hour, the group roasted winners in the fireplace and were served other refreshments by the hostess.

### Valentine Party At St. Mary's

St. Mary's Parish Teacher Association held its February meeting Tuesday evening, with Mrs. Polly Tutka presiding in the absence of the president.

Plans were completed for a Valentine party which will be held for the boys and girls of St. Mary's school Friday afternoon.

A social on March 10 was discussed. Plans were made to hold it in the school cafeteria. Fr. Engelbert Bieneke spoke to the PTA on religion in the home, the war situation and Lent. He closed the meeting with prayer.

Mrs. Vivian Anselmo was a guest for the evening and 23 members responded to roll call.

The hostesses, Mrs. Kathryn Butkovich, Mrs. Joyce McKinney and Mrs. Bisto, served cake and coffee.

The next meeting will be held March 11. Communion Sunday will be held May 5 at St. Mary's parish.

### Chapter KU Holds Meeting

Chapter KU, PEO Sisterhood, met Monday evening, in the home of Miss Nelle Car, 2708 Harvey place, with Mrs. Lee Schuler, president, presiding at the business meeting.

Nineteen members attended and were told of the thank you notes received from the PEO Home in Knoxville, Ill., for gifts sent by the local group, and from Debe Bush, a student at Cottey College.

Mrs. Bessie Coolidge presented the program on "A Time For Love" in keeping with St. Valentine's Day.

The next meeting will be with Mrs. Alicia Sackett on Feb. 26.

## Wedding Plans Are Made

Mr. and Mrs. Earl W. Bolin, 2032 McCasland avenue, Madison, are announcing the engagement of their daughter Dorothy Jean Bolin to Larry G. Higgins, son of Mr. and Mrs. Cecil E. Higgins, 2410 East 20th street.

Mr. Higgins is a 1966 graduate of Granite City high school and is employed with Owens-Illinois Glass Co., Alton.

The bride-to-be is a 1966 graduate of Madison high school and is presently employed in St. Louis.

A summer wedding is being planned by the couple.

## 62 Attend Church Banquet

Sixty-two members and guests enjoyed a banquet at Third Baptist Church Monday evening. The rooms were decorated with red hearts, cupid and lighted lamp posts.

Gomer Heil served as the master of ceremonies. David Richardson led the group in singing. Entertainment was furnished by Mrs. Donna Randall with her guitar and Rev. Charles West, associate pastor of Rosemont Church, East St. Louis, music featured "Calvary's Love" by David Richardson.

Devotional for the meeting was presented by Rev. Eugene Phillips, pastor of the host church.

Those who assist were Allie Smith, Gomer Heil, Milton Cox, Alma Garrard, Earline Richardson, Dorothy Gifford, Mary Eads and Cheryl Harper.

## Job's Daughters Initiates 16 Members in Ceremony

An initiation ceremony for 16 new members was conducted, Tuesday evening, by Bethel 43 International Order of Jobs Daughters, at the Masonic Temple, with Honored Queen Debbie Teltor, presiding.

Those initiated were Pamela Ready, Debbie Ringar, Dawn Woodard, Gail Richards, Cynthia Adams, Jo Ann Chinn, Elizabeth Dinoff, Sharon Staggs, Pamela Clay, Marvene Monhe, Karen Romine, Pamela Gagich, Judy Wilson, Barbara Sage, Pamela Cavaness and Kathleen Gusewell.

"Big Sisters" were appointed from the Bethel members for each of the candidates by the honored Queen.

An official inspection visit was made by Mrs. Shirley Dunn, deputy grand guardian of Illinois and Guardian of Bethel 72, of Edwardsville.

Those escorted to the East and accorded honors were Mrs. Dunn, Mrs. Neil Baskette, guardian and Dr. E. H. Hites, associate guardian.

A report was given by Mrs. Sullivan on the recent trip

to see the movie, "Gone With the Wind" which 65 members attended.

Miss Vivian Gray, librarian, gave a report on St. Valentine Day.

The members and their parents will attend a roller skating party in Troy on March 22. The trip will be made by bus.

Refreshments were served to 115 members and guests in the dining room which was decorated in a Valentine motif.

**SURPRISE SHOWER**

**FOR MRS. YETTER**

A surprise cradle shower honoring Mrs. Joan Yetter, 2420 Edison avenue, was given Tuesday evening by her card club at its February meeting.

Following dinner at the Rose Bowl restaurant, the group returned to the home of Mrs. Doris Votaw, 2705 Angela drive, where Mrs. Yetter opened her gifts and the remainder of the evening was spent playing cards.

Prizes for card games were won by Mrs. Sharon Shaffer, Mrs. Cora Coppedge, Mrs.

### Clubs Planning 8-Week Contest

Leader Mrs. Peggy Hackney presided over the weekly meeting, Monday evening at the Tri-Cor medical building, of the Tops Whittle by Whittle Club.

An eight-week contest with the Ship Shape Tops and the Veneer Tops was discussed.

Mrs. Billie Bagi was honored as Queen for the Week, and the evening's prize went to Mrs. Shirley Sobolewski.

Others attending were Mesdames Janice Beatty, Rosalie Brumbauer, Marlene Byrns, Shirley Coover, Helen Deruntz, Nina Eads, Edith Harris, Shirley Jensen, Agnes Kern, Jacquelyn McGee, Marie Oglesby, Audrey Ribbing, Sharon Rojas, Jerry Skaggs, Betty Bishop, Misses Judy Garrison, Beverly Provance and Mary Wetzel.

Donna Kagy and Mrs. Joyce Campbell.

Mrs. Votaw served refreshments to the honoree, the prize winners and Mrs. Martha Bollinger and Mrs. Helen Schwendemann.

POLICE AND FIRE department officials who participated Monday afternoon in setting up "Community Radio Watch," a program in which business firms using radio equipment will aid in reporting crimes, fires and accidents. Left to right—Thomas Scaturro, Venice fire department; John Essington,

Venice police chief; Emmett Pazio, Madison police chief; Cpl. Cleo T. Angelloff, Illinois State Police; Earl Fronabarger, Granite City fire chief; Raymond Willard, deputy sheriff; Eldon Rhodes, Madison fire department; and Ronald Veizer, Granite City police chief.

## Firms Pledge Help in Area Radio Watch to Cut Crime

Eager response to a plan by which industry, business and private citizens may help maintain law and order was reported Tuesday following a YMCA luncheon session in which the "Community Radio Watch" program was initiated Monday afternoon.

Announcement that the new program will be put into effect in the Quad-City area was made by Mayors Donald Partney of Granite City, John E. Lee of Venice and Stephen A. Maeras of Madison, who called upon all citizens to report suspicious acts and unusual occurrences to the police as soon as they see them.

The radio watch program will enlist the aid of business firms, industries or individuals who

operate radio-equipped vehicles and thus are in position to make an immediate report to their dispatchers of fires, accidents or crimes which they might witness in driving around the area. The dispatchers then relay the information to police by telephone.

William Hoelscher, manager-secretary of the Manufacturers Association of the Tri-Cities, which arranged Monday's meeting to discuss the project, reported Tuesday that pledges involving the participation of approximately 150 radio-equipped vehicles were received during and shortly after the meeting.

Radio Club Participates  
He said these include 100 radio-equipped trucks of the Illinois Power Co., 11 trucks of Zimring & Sons Vending Machine Co. and at least 15 private cars of members of the Circle Radio League who operate mobile units on a citizens band.

Use of other trucks and cars operated by other businesses, construction firms and service units also is being enlisted and a complete list of radio-equipped vehicles is expected to be prepared soon.

The "Community Radio Watch" program is being sponsored on a nationwide basis by Motorola Corp., which is furnishing all forms, reports and materials necessary to logging and reporting incidents to dispatchers who, in turn, notify the police of the area in which the incident was witnessed.

Plans are being made to establish awards for extraordinary service, making the participant eligible for recognition and a national award.

Hoelscher said the association plans to send letters to all business and industrial firms not represented at Monday's meeting to solicit their participation in the program.

## New 'Rules of Road' Book Issued by Secy. of State

Issuance of a revised "Rules of the Road" booklet which incorporates the many changes in laws governing the operation of motor vehicles enacted last year was announced this week by Secretary of State Paul Powell at Springfield.

General format of the booklet remains the same as the 1967 issue which was a completely new approach in terms of size, art work, organization and presentation, Powell said. New highway signs are illustrated and explained, the motorcycle chapter has been extended and new safety material added. New art work has been added in some places.

The Illinois Rules of the Road is unique among state driver manuals in several respects, Powell said. These include a full chapter concerning the motor vehicle, giving necessary information concerning license plates, titles, required equipment and reciprocity; a chapter on the medical aspects of driving; a separate, well-illustrated chapter on motorcycles, covering registration, licenses, equipment and operating laws, and safety rules. There also is a separate chapter on expressway driving and illustration of highway signs and signals in the exact colors and lettering as they appear on streets and roads.

Among principal changes in the law that are outlined in the booklet are:

All drivers must be re-examined at least once every nine years, effective Jan. 1, 1968.

License age to 18

The minimum age to qualify for a driver license is raised to 18 years, except for applicants 16 and 17 who have passed an approved education course, effective Jan. 1, 1969.

Driver licenses will be classified as to the type of vehicle the individual is qualified to operate, and applicants for a motorcycle driver license will have

to take a special examination on a motorcycle. The new law prohibits renting a motorcycle to anyone who does not hold the motorcycle license. These changes also are to become effective next Jan. 1.

Laws that were effective Jan. 1 this year provide that motorcycle passengers must ride astride the vehicle and wear a permanent seat or saddle and only on motorcycles designed for two people.

There must be handgrips and footrests for the passengers; operators and passengers must wear protective headgear, wear glasses, goggles or have a transparent shield; handlebars must be no higher than 15 inches above the seat, and the vehicle must have a rear-view mirror.

The driver license fee will be increased from \$5 to \$8, effective next Jan. 1, to help absorb the added cost of the re-examination program.

## Two Local Sailors Are Great Lakes Grads

Seaman Apprentices John D. Bennett, USN, 19, son of Mr. and Mrs. Norman E. Bennett, 2638 East 24th street, and Robert L. Widel, USN, 18, son of Mr. and Mrs. George P. Widel, 2736 Willow avenue, have graduated from nine weeks of Navy basic training at the Naval Training Center, Great Lakes, Ill.

In the first weeks of their naval service they studied military subjects and lived and worked under conditions similar to those they will encounter on their first ship or at their first shore station.

## Charged with Speeding

An Edwardsville motorist, Dennis Rapp, was issued an arrest ticket Tuesday afternoon on a charge of speeding in the 2300 block of Madison avenue.

## Peace Lutheran Program on Japan

Rev. Carl L. Johnson, pastor of Peace Lutheran Church, is announcing a program entitled, "A Touch of the Orient in the Heart of the Midwest," will be given at the church, 2480 Stratford lane, Sunday, Feb. 18, at 3 p.m., in keeping with Japan during 1968 for World Missions.

Miss Helene H. Harder, a missionary to Japan for more than 20 years, will speak and show slides. Other activities will include an original demonstration and skit given by several of the Sunday school classes.

The Junior Choir, directed by Frank Frandsen will sing, "Beautiful Savior" in Japanese and the members will be attired in authentic Japanese costumes and will be served Sukiyaki.

## Police Will Attend SIU-SW, IYC Seminar

Police Chief Ronald Veizer said today that at least four Granite City police officers will be attending an all-day seminar on "Juvenile Problems and Law Enforcement" to be held March 14 under the joint sponsorship of the Illinois Youth Commission and Southern Illinois University-Southwestern campus.

The 8:30 a.m. to 4:30 p.m. seminar is to be held at Augustin's in Belleville. The department's juvenile officers include Sgt. Harry Mitchell, Patrolmen Alan LeMaster and Dusan Gagic and Assistant Chief George Teller.

## Improvements in Medicare Program Listed

By RALPH BRASHER  
of the  
Social Security Office

Here are some of the more important improvements in the Medicare program under the social security amendments signed by President Johnson on Jan. 2.

**Payment for Doctor Bills**  
Medicare beneficiaries whose physicians prefer to bill the Medicare program under the social security amendments signed by President Johnson on Jan. 2.

**Also, the Medicare Program**  
may now make partial payment of bills for treatment before Jan. 1, 1968, in hospitals not participating in the Medicare Program. If you had to pay a hospital bill because you were treated in such a hospital, it may be possible for you to be reimbursed, if the hospital meets certain minimum standards, i.e., it is licensed as a hospital; has a full-time nursing service; and provides medical care under the supervision of a doctor.

**During the first year of Medicare**  
some hospitals were not able to take part in the Medicare Program, and others have not chosen to take part, for one reason or another. A special provision for payment in emergency cases helped many people, but there were some hospitals which did not qualify for the emergency provisions. And some people covered by Medicare and admitted to these hospitals were denied payment because Medicare provision mistakenly believed that Medicare would pay their bills.

**If you were a Medicare beneficiary**  
between July 1, 1966, and Dec. 31, 1967, and could not get payment for hospital, clinic, rehabilitation center, or public health agency.

**As before, a "spell of illness"**  
does not extend to a 60-day period has passed during which you were not a patient in any hospital or skilled nursing

home. When a spell of illness ends, you again become eligible for up to 90 days of hospital insurance benefits. The 60-day reserve, however, is a life time reserve, and none of it is replaced after you use it.

**Survivors in New-Covered Hospitals**  
Also, the Medicare Program may now make partial payment of bills for treatment before Jan. 1, 1968, in hospitals not participating in the Medicare Program. If you had to pay a hospital bill because you were treated in such a hospital, it may be possible for you to be reimbursed, if the hospital meets certain minimum standards, i.e., it is licensed as a hospital; has a full-time nursing service; and provides medical care under the supervision of a doctor.

**Under the old law, if the doctor**  
did not want to submit his bill to Medicare, a Medicare beneficiary had to pay the bill and get it itemized and receipted in order to claim payment from Medicare. Now, all the patient needs to send in with his request for payment is an itemized bill, even if he has not yet paid the doctor. If the doctor's office will fill out the bottom part of the standard Request for Payment form, this will serve as the itemized bill.

**More Hospital Days Covered**  
A person now covered under the hospital insurance part of Medicare will be eligible for 60 additional days of care paid for by Medicare. This is a "lifetime reserve" that you can draw upon if you have used up the 90 days in a "spell of illness". During these additional days, your Medicare will pay all but \$20 a day of your covered hospital expenses.

## School Safety Remodeling In Door, Ceiling Phases

Continuing with remodeling of school buildings to comply with the Illinois Life Safety Code, the Granite City school board Monday night accepted a low bid of \$43,088 from the Leo Wolf Co. to furnish and install doors and partitions at 12 schools.

The proposal was \$21,852 below the advance estimate of \$64,940. Henry Ross bid \$45,727 and S. M. Wilson \$47,479.

Schools included are Granite City high school, Central junior high and the Mitchell, Webster, Washington, Emerson, Niedringhaus, McKinley, Nameoki, Logan annex, Marshall and Stallings grade schools.

In keeping the remodeling proceeding on schedule, the board authorized preparation of specifications and requests for bids on fire-resistant ceilings and on an additional exit door at each school. Bids also will be sought on mechanical work at six buildings, including the heating plant at Stallings grade school.

**Electrical Improvements**  
Reviewing Life Safety Code progress, Tully A. Heubner, director of buildings and grounds, said, "Drex Electric Co. is working on installation of fire alarm systems and other electrical work required under the surveys. Cost of this contract is \$41,175, or \$6500 under the original estimate."

"Estimated cost of the mechanical work on the six schools surveyed by Architect Virgil Dulgeroff is \$10,325. Mechanical specifications on the other buildings have not been completed to date, but I expect them to be considerably higher."

"The 1967-68 appropriation was \$304,425, of which \$84,223 has now been encumbered. If the mechanical plans for the other buildings can be completed, this could be accomplished by the end of the year."

"By proceeding with bid requests, we should be able to encumber \$200,000 of the budget. If the mechanical plans for the other buildings can be completed, this could be accomplished by the end of the year."

**Concession Stand Design**  
The board approved a revised plan under which four ticket windows and a 20x24-foot storage area will be included in a concession stand and rest-room building being considered for construction at the Granite City high school football field.

Installation of a covered walkway between the main GCHS building and the cafeteria-classroom building is to proceed. Shop drawings were rejected in December, due to a product change that failed to meet specifications. However, structural material meeting specifications is now available.

The board approved acceptance of a \$730 reduction in the cost of Grigsby junior high school. Instead of existing, it is to be used by the A-1 Tackpointing and Waterproofing Co.

Noting repair of a control panel in the Parkview grade school heating plant, the board

decided to order a spare control panel of the type used at Parkview and Grigsby. The district also has on hand an extra control panel that would fit the burner in most of the other schools.

**Joint Sidewalk Project**  
The board approved paying \$700 toward the \$2150 estimated cost of constructing a five-foot-wide concrete sidewalk from the school crossing at Yale drive and Fehling road through Wilson Park to a city sidewalk at 28th street in front of Niedringhaus grade school. The city is to pay \$700 and the park district \$750.

The school board on Oct. 11, 1967, had authorized payment of a third of a \$1440 estimate for installation of an asphalt sidewalk through Wilson Park. However, the project was delayed then due to planning for the nearby ice skating rink, and the walk was not built.

Acting on bids to provide physical education supplies and equipment, the board approved purchases totaling \$1945 from R. A. Ravensberg, \$319 from Economy Sporting Goods, \$99 from Bendley Candy Co. and \$9 from Salsich Recreation.

**LaMear-Herbert Pronto Foods Corp.** will provide frozen fully-cooked beef patties during the next three months on a low bid of \$8.15 a case, or 24 cents a case less than the low bid of three months ago. The school system uses 120,000 two-ounce patties each quarter.

Video Tape Systems will provide a zoom lens for videotape equipment used in the Steel Institute instructional program for \$405. The amount is to be reimbursed by the state.

**Nameoki Termite Control**  
Orkin Exterminating Co. was authorized to provide termite treatment at Nameoki grade school at \$878 for an initial treatment and \$55 annual.

A report by Board Member Carl Maclos on school bus and private auto congestion along Marvill road at Parkview school was referred to the administrative staff for study and a recommendation.

Bills approved totaled \$79,141 in the education fund, \$470 education travel reimbursements, \$34,968 in the building fund, \$15,048 in the transportation fund, \$76,096 Grigsby junior high school construction (Leo Wolf Co. \$30,718 general work, Service Equipment Co. \$44,378 equipment, Triangle Heating Co. \$4898 heating work and \$2912 plumbing, and Rite Electric Co. \$5427 electric work, \$903 federal programs, \$44,216 cafeteria expenses, \$541,888 January education fund payroll and \$949 January building fund payroll.

**License Plates Stolen**  
George A. Manson, Columbia, Ill., reported to Venion police Tuesday morning that his 1968 license plates were stolen from his car while it was parked in the GMAO parking lot at Venice between 7 p.m. and 11 p.m. Monday.

**Speeding Charge**  
David Crider, 2728 Saratoga avenue, was issued an arrest ticket early Wednesday for a charge of speeding on Victory drive.

## Lawn & Garden

WAYNE B. SIEFERT  
Extension Ornamental Horticulturist  
for St. Clair and Madison Counties

### Russian Olive for Interesting Foliage

Gray summer foliage, small size and vigorous growth are important features of this rugged plant.

Few plants can offer the gray foliage color of the Russian Olive and be as hardy. A tree which matures near 20 feet high, the widespread habit of growth fits a variety of landscape situations. For a background tree to screen buildings or utilities, this tree deserves more extensive use.

The foliage is narrow gray leaves about one inch wide and three inches long. The rather crooked trunk and brown shredding bark is rather attractive throughout the winter.

Ranchers and horticulturists in dry western areas find this tree an old friend. It will survive well during dry weather, seems to grow in any soil, and regularly survives winter weather of 35 below zero.

Its spreading habit of growth does not seem well suited for street plantings, but golf courses are adopting it for the color, vigor and modest size.

### Progress for Florists

Florists have discovered they can fertilize flowers with a harmless gas.

Carbon dioxide gas gives flowers an unexpected boost in growth when rather small quantities are added to the normal atmosphere. During the winter florists keep their greenhouses sealed up for warmth, and as the plants use up this portion of the air to produce plant growth, a shortage of carbon dioxide develops. Special burners, which release the gas, are used to supplement the gas supply, and break records for winter growth. In the summer when greenhouses are not sealed up, this extra supply does not have the fertilizing effect.

This unusual amount of carbon dioxide is much like a crowded room, where people are using the oxygen and releasing the carbon dioxide as they breathe. There is no safety hazard except for a lower oxygen level similar to higher elevations in the mountains.

### Potting Soil

Kitchen gardeners can manufacture a good soil mixture from garden soil and leaves.

Normal garden soil may be great for tomatoes, but often becomes too packed for best results with indoor plants. But most garden soils become high quality potting soils when mixed with humus.

Your home supply of humus can be crisp leaves if they are pulverized and mixed with equal parts of soil. On many occasions, an application of houseplant fertilizer at planting time will give the transplant a speedy start until the leaves begin to decay.

### Golden Rain Tree

Large clusters of small yellow flowers during July and the spreading habit of growth are features of this specimen tree.

Unlike the blazing yellow Forsythia, the Golden Rain tree produces large "bouquet like" clusters of small, yellow flowers over the outside portions of the tree. During the fall prominent yellowish to brown bladder-like pods replace the clusters of showy yellow flowers.

This low, wide spreading tree reaches a height of 25 feet and branch spread of 30 to 40 feet. Some appreciate the crooked trunk and somewhat twisting nature of the branches as part of the wintertime landscape.

This tree thrives in a variety of soils and is drought resistant. It grows best under sunny conditions. Golden Rain cannot be described as fast growing. It is consistent, and transplants well. This tree begins to flower when rather young.

The tree is relatively free of diseases and insect pests. Winter injury may occur on young trees, and be seen as winter killing of some twigs. Severe cold weather may produce frost cracks (popping open) of the trunk. Neither of these are serious problems of this area.

### Tree Pruning, Painting

Pruning wounds trees are just as serious as a paint scratch on your car. Both open the way for destructive events to occur.

Many wood rotting fungus diseases cannot invade living wood, but as the wound area dies, the fungus moves in. Rotting trees usually do not die, but are easily toppled by wind and ice.

Tree paints are special water emulsion paints which seal the tree wound without injuring the living wood along the edge. Most garden stores have this special product in pint sized cans.

Size of wound is important. Most experts feel a two-inch wound is the minimum size to paint. Smaller cuts callus over so quickly the rotting organisms cannot get started. Large wounds should be painted as soon as the injury stops bleeding. Because these paints deteriorate, the wound should be scraped and repainted every winter.

Some gardeners use house paint or tile compounds to seal up tree wounds. These do work as a wound dressing, but the solvents in them slow down the callus growth.

### Pruning Hint

Do not prune maples and birch in the spring. Profuse bleeding is very attractive to insects and fungus diseases. Hold off pruning until early summer for best health and safety of the tree.

## HEALTH and SAFETY TIPS

from the AMERICAN MEDICAL ASSOCIATION  
535 N. DEARBORN STREET  
CHICAGO, ILLINOIS 60610

## Walk Extra Mile To Lose Weight

Want to lose ten pounds in the next year?

One way you can do it is to walk an extra mile every day.

The American Medical Association's new health book, "Today's Health Guide," reports that a walk of just an extra mile per day for 365 days is a "simple, pleasant device for shedding an extra pound of fat." In a year this would mount up to about ten pounds. The extra mile means just that—a mile of walking in addition to the customary walking you now do each day.

Once regarded as a major factor in losing weight, physical activity was later accorded less importance. It was realized that considerable effort was required to shed even one pound of extra tissue. Would-be reducers found comfort in some expert opinion that calories expended through exercise would be immediately replaced, due to an automatic increase in appetite.

Fortunately for fitness as well as for fatness, exercise has been restored to grace and enjoys respectability. Exercise helps expend calories; within the usual range of activity, it need not stimulate appetite excessively. The energy expended is not required to offset a pound of fat is approximately 3,500 calories, but the weight need not be lost all at once.

Instead of the exhausting, often impossible, 36-mile hike within a span of hours, a walk of just one extra mile a day for 365 days will get rid of that extra

pound. Weight gain usually is relatively slow, and the extra mile will—for most of us—help keep our weight down to a reasonable figure.

Exercise also furthers physical, mental, psychological, and social fitness. It provides an outlet

for emotional tensions, promotes self-confidence, wholesome social activity, and good sportsmanship. It enhances the sense of general well-being that enables us to confront and master a reducing regimen.

To be effective for both weight reduction and for general physical conditioning, exercise must be a regular part of your way of life, and not something that is overdone spasmodically.

So, if you want to lose ten pounds in the next year, just arrange to walk that extra mile today.

## Del Rays to Play at 'Y' Teen Town Saturday

The Del Rays will make a return appearance at the YMCA Teen Town from 8:30 to 11:30 p.m. Saturday.

It will be the third date for the popular rock-and-roll group for a Teen Town dance. Last month when the group played, more than 600 teenagers attended.

The crowd was the largest of the season. The dance will be held in the gym in anticipation of another large turnout.

## Band Sets Illinois Theme for Concert At GCHS Feb. 22

The Illinois Sesquicentennial celebration will be the theme of a concert to be presented by the Granite City high school band at 8 p.m. next Thursday in the school auditorium. It was announced by Louis Meek, director.

Admission will be by season tickets. Individual tickets may be obtained at the door.

Several numbers on the program will have an Illinois theme. They include "Spoon River" by Percy Grainger and "Illinois March" by Dr. H. Woods.

The program also will include "Ella's Procession to the Cathedral" by Richard Wagner, "From Tropic to Tropic March" by Alexander, "Morning, Noon and Night" by Von Suppe and "Swallowtail" by Ferde Grofe.

## Korean Pianist, 14, to Play for Church Group

A 14-year-old pianist, Young Bae Cho of Seoul, Korea, will open the third session of the school of World Outreach from 6 to 8 p.m. Sunday at Central Christian Church.

She is an eighth grade student at Coolidge junior high school and is studying piano at the Southern Illinois University-Southwestern campus under the supervision of Miss Ruth Slenczynska, with whom she has lessons twice a week.

During a Far Eastern tour, Miss Slenczynska auditioned 50 of the top pianists in Korea and told the three she adjudged the best that if they could ever get to the United States, she would be their teacher. The girl was one of the top three.

In Seoul, Miss Cho was heard often on radio and television and was a frequent entrant in piano contests. Among her prizes is a piano. She arrived in Granite City last Oct. 25 and resides with Mr. and Mrs. Donald MacDonald, 1729 Primrose avenue, both local music teachers. Arrangements for her to come to this country were finalized by James Wade, a former Granite Cityan.

who is serving in a musical education capacity in Korea. His mother, Mrs. E. J. Wade, will participate on the same program and will describe a trip taken by her and her husband to Korea and Japan.

A film entitled "The Younger Brother" will be shown. It presents the problems of a Japanese boy encounters as he breaks away from the age-old traditions of Japanese culture to become a Christian.

Members of the Chi Rho youth group will present a short devotional service and the Young Disciples class will serve light refreshments.

## 'Boy Friend' Comedy Set at Monticello

"The Boy Friend," a musical comedy satirizing the manner of the 1920's, will be presented at Monticello College, Godfrey, at 8:15 p.m. today, Friday and Saturday in Hathaway hall.

Broadway actress and singer Jeanne Beauvais will be special guest star in department of fine arts production of the madcap musical.

"The Boy Friend" is a lampoon of the entertainment patterns of the madcap area that starred Babe Ruth, Texas Guinan, speakeasies, flat-chested flappers and men in plus-fours. Tickets are available by phoning 408-3411, ext. 251.

## New Math Offerings Prepared for SIU-SW

Specialties in computer science and applied mathematics are among new offerings in mathematics at the Southwestern campus of Southern Illinois University.

They stem from a number of recent revisions in the undergraduate program to upgrade and expand the curriculum. The new offerings are headed by Robert N. Pendergrass, chairman of the mathematics faculty.

The changes involve several courses, some of which have enriched the general requirements offered through the bachelor of arts degree. Others provide sufficient concentration in computer science and applied mathematics for specialties in the bachelor of science degree.

Pendergrass said the revisions were approved prior to the winter quarter but only one course was offered during that period because of limited time for class preparation. All will be available in the spring.

The SIU-SW mathematics faculty also has another option for the B.S. degree offered by the division of education. The remaining programs are served by the science and technology division.

Pendergrass said the new courses and changes will be included in the next issue of SIU's new bulletin which describes all the programs of the local campus.

## Long-Distance Teaching Planned by U. of I.

A pioneering approach to multi-media teaching—combining correspondence study, "teaching" via long-distance phone lines and a remote-control electronic blackboard, and a few on-campus sessions—being explored during the spring semester by the University of Illinois division of university extension and college of engineering.

The three-pronged experiment is being used to offer four credit classes in engineering, to be held at Rockford, Rock Island-Moline, Springfield and Decatur.

Courses scheduled are Theoretical and Applied Mechanics E-211, "Analytical Mechanics (Dynamics)," Mechanical Engineering E-221, "Mechanics of Machinery," TAM E-221, "Elementary Mechanics of Deformable Bodies," and ME E-224, "Design of Machine Elements."

The courses will yield three to five hours of credit or may be taken without credit for professional development.

## GAA Conducting Table Tennis, Cage Tournaments

The Girls Athletic Association at Granite City high school currently is conducting a table tennis tournament, to end this month, and basketball tournament, to end in March. Participants include Prather and Coolidge junior high school members.

Teams were assigned to three levels of skill. Student leaders are Karen Hanne and Barb Bartels.

Captains representing the levels from three classes selected by the players are Ruth North, Marie Teller and Pam Thorne for the sophomore class, Phyllis Boscoff, Barb Hitt and Denise DeMott for the junior class and Joan Minnick, Kathy Ortolan and Nancy Edwards for the senior class.

Stripes will be awarded to members of winning teams or matches at the GAA picnic in May.

## 13 GC Girls Attend 'Y' Government Day

Thirteen girls represented the local YMCA in Student Government Day activities Saturday at Springfield and will participate in legislative meetings on April 25, 26 and 27.

At the meeting Nancy Prusak was a candidate for secretary of the Senate and Jeanne Graklanoff was a candidate for chaplain of the House. Kathy Schmidt, Carol Wolfe and Janis Weiser are to be pages, and serving as representatives and senators will be Pat Patton, Cheryl Clark, Anita Gasparovic, Betty Hanfelder, Mollie Van Buskirk, Sue Taylor, Vicki Couch and Kathy Morefield.

## Merit Scholarship Tests To be Held on Feb. 24

Granite City high school students who expect to complete their secondary school requirements and to enter college in 1969 can register starting Monday to participate in the 1968-69 National Merit Scholarship Program, Principal Lawrence C. McCauley announced today.

The first step for all students wishing to enter the nation-wide competition is to take the National Merit Scholarship Qualifying Test to be given at the school at 9 a.m. Feb. 24.

Participating students pay a fee of \$2. If an unusually promising student is unable to pay the fee, it will be paid by the National Merit Scholarship Foundation at the request of his school.

When his NMSQT scores are reported to each participating student will receive a handbook to help him evaluate his scores.

compare his performance with that of other high school students across the country and give him information on choosing a college and financing his education. The handbook and other interpretive materials are furnished as a part of reporting the test results.

The highest-scoring students in each state will be named semi-finalists and will be eligible for merit scholarship consideration. In addition to the national merit scholarships financed by NMSQT, more than 350 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and individuals offer scholarships through the merit program.

About 15,800 students have won merit scholarships in the 12 merit programs to date. About 2450 were awarded in 1967.

## NEDT Battery to Be Conducted for GCHS Students

Up to 100 tenth grade Granite City high school students will take the three-hour National Educational Development Tests on Feb. 28, Lawrence C. McCauley, principal, announced today.

"The NEDT battery," he said, "is a series of tests in English, social studies, mathematics, natural sciences and word usage designed to measure each student's ability to apply basic learning skills rather than his ability to memorize facts."

"We will use the test to help students, parents and teachers identify individual strengths and weaknesses in each student's educational development and in making a realistic appraisal of his educational and vocational goals."

Published by Science Research Associates Inc., the nation's largest commercial publisher of standardized tests, the NEDT battery was constructed under the direction of SRA's test and evaluation division. It has been administered to more than five million students throughout the country since it was introduced in 1959.

Sophomore students may register in the guidance office, room 105, from Feb. 20 to 26. The test fee is \$1.50, payable at registration.

The Veterans Administration reminds veterans training under the G.I. Bill that monthly attendance certification cards are still required from trainees in schools below the college level.

## Murphy Twins Repeat Straight-A Averages

Guitarist to Present  
Recital Friday Night

Guitarist Oscar Ghiglia will give a recital at Southern Illinois University-Southwestern campus at 8:15 p.m. Friday in the Communications building theater. His appearance marks the fourth in the current Guest Artists Series sponsored by the SIU-SW fine arts division. Admission is \$2 for those not holding season tickets.

Born in Leghorn, Italy, Ghiglia was graduated from the Conservatorio di Santa Cecilia in Rome in 1961. From there he went to the Accademia Chigiana in Siena to study under Andres Segovia. He also studied in Venezuela with Alvaro Diaz. In 1962 Ghiglia made his debut at the Festival of Two Worlds in Spoleto. The following year he won first prize at the International Guitar Competition in Paris, and shortly after the Antonio Iglesias Prize in Santiago de Compostela, Spain. As Segovia's assistant, in 1966 and 1967 he gave master classes at the University of California in Berkeley. He has also taught at the University of Missouri in Kansas City.

In addition to performing in Europe, Ghiglia has toured in Japan. This year he is making his second tour of the U.S. His recordings and programs range from Bach to Villa Lobos, de Falla, Granados and Albeniz.

State Agent to Meet  
With Students on Job

A representative of the Illinois Department of Personnel will visit Southern Illinois University-Southwestern Campus Placement Services Monday to talk with college-trained persons regarding a variety of positions in Illinois state government.

The Illinois Professional Career Entry Examination is required for these positions. The examination will be given Feb. 24, beginning at 9 a.m. The examination covers reading comprehension, deductive reasoning and data interpretation. Interested seniors and persons holding degrees who desire to talk with the representative of the Department of Personnel or who wish to take the Illinois Professional Career Entry Examination should contact University Placement Services at SIU's Southwestern campus by phoning (818) 692-2800.

ISU Enrollment  
Sets New Record

Illinois State University reported Tuesday that enrollment for the spring term, following close of late registration, is 10,864, a new second semester high.

The new figure is an increase of 1356 or 14.3% over the final 9528 who registered a year ago. Dr. Howard J. Ivens, director of admissions and records, also noted that the 10,864 is only 208 below the 11,072 who enrolled for the first semester last September. Second semester enrollment is usually below the first because of mid-term graduations and students who leave school for academic or other reasons.

Masque, Gavel Initiates;  
District Meet Saturday

Masque & Gavel at Granite City high school initiated eight new members in informal ceremonies last week.

They are Ernie Schwendeman, Mike Osuchowski, Laura Jones, Linda Hollis, Dottie DeWitt, Wendy Decatur, Barb Jackson and Beth Wittervongel.

They were chosen on the basis of grade averages and on teacher and member ratings. They will accompany other members on a trip to New York City in the spring. To help finance the trip the members are preparing to sell candy kateidies.

The district speech contest is to be held Saturday in Staunton. GCHS speech students to compete include:

Nancy Sternberg, original orator; Debbie Berger, serious reading; Bill Harris, comedy reading; Janice James, verse reading; Larry Knox, radio speaking; Gene Richardson, prose reading; Cindy Blumenstock, oratorical declamation; and Lesia Freedman, extemporaneous speaking.

A one-act play, "Little Brother, Little Sister," will be staged by Jane Parnley, Kenny Graham and Wes Loper.

District winners will advance to sectionals March 2 and 9 in Wood River, with winners there to compete in state finals March 29 and 30 in Normal.

## DeMolay Rifle Club Developing Marksmen

Members of the rifle club of the Granite City chapter, Order of DeMolay, have earned 58 certificates for ratings since the club, organized in 1959, was reactivated last fall.

Robert Ebrecht, who conducts weekly meetings on Thursdays at the Granite City Army Depot rifle club, describes the 58 awards as indicating rapid progress toward the goal of being expert riflemen.

There were 23 members at the time of this month's awards ceremony, and 16 additional members have just been added. The club was established nine years ago under sponsorship of the Tri-City Shrine club.

**Founded By Willmizig**

It was the idea of Roy Willmizig Jr., a senior DeMolay of the local chapter, member of the DeMolay Legion of Honor and member of the chapter's advisory council. A 33rd degree Mason, he is the immediate past potentate of Ainal Temple, Willmizig and Charles Voss, a senior DeMolay and Legion-

naire and Ainal Temple member, were active in its leadership until mid-1966, when the rifles were stolen from the city rifle range.

The Tri-City Shrine club presented five rifles in April 1967 and the rifle club became active again in September.

Ebrecht, a senior DeMolay and member of the chapter's advisory council, is a member of the Legion of Honor unit of Ainal Temple and a member of the local Shrine club. Willmizig is still active in an advisory capacity.

The rifle club operates under the authority of the National Rifle Association and is governed by NRA regulations.

**300 Past Members**

Prior to the reactivation last fall, 300 DeMolays had participated in activities of the rifle club.

Officers of the rifle club are Charles Ringering, club captain and line coach; Keith Darner, co-captain; James Naeve, adjutant; Joe Vaughn, finance officer; and Dwayne Pritchett,

## SIU Plans Summer of Study in Mexico

Southern Illinois University's Latin American Institute at Carbondale will sponsor a summer study program at the University of Americas in Mexico City, Mexico.

The program will last eight weeks, June 14 to Aug. 10, of which five weeks will be spent in residence in Mexico City, and the rest for visiting places of historic and artistic interest.

Courses offered for the program include a wide variety of subjects. A. W. Bork, director of SIU Latin American Institute, said. All students are required to study Spanish as a general principle, he added.

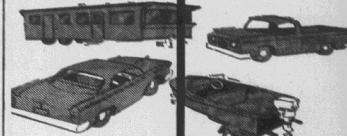

The program will be limited to 25 students. Cost for each student is approximated at \$335, including transportation, tuition, fees, and lodging, in addition to \$100-\$200 for personal expenses, Bork said.

## Venice January Income \$1331; Costs \$30,832

Income of the city of Venice totaled only \$1331 during January, with disbursements amounting to \$30,832, according to a report by City Treasurer Bernard Anderson.

Although the city met its expenses because of a \$1,980 balance on hand as of Jan. 1, it had a bank balance of only \$22,479 on Feb. 1 after January expenses were paid, the report said.

City Comptroller Carl Byrnes said that a transfer of funds will have to be made within the next 30 days to meet February expenses. Additional revenue will be obtained from either the working cash fund or the city's McKinley bridge revenue fund from which the city borrows occasionally to meet current operating costs.

The city's only revenue during January consisted of \$15 in the sale of truck delivery licenses and \$316 received from the State of Illinois in sales tax allocations.

Expenses included \$12,942 for the police department, Byrnes said this included the cost of two new police cars purchased in December. Other major expense items included \$3071 for the street department, \$3325 for city officials salaries, \$2745 for garbage collection and \$2819 for operation of the fire department.

City hall maintenance for the month amounted to \$721, insurance costs were \$1582, sewer repairs \$670 and maintenance of arterial streets, \$941. Income of \$1331 with the \$1,980 balance gave the city total available funds of \$33,112, from which the \$30,832 expenses were paid.

## Prof. Moore to be Soloist for Oratorio

Dale Moore, professor of voice at the Southern Illinois University-Southwestern campus, will be baritone soloist Feb. 25 when Marietta College, Ohio, gives its annual oratorio. This year the Marietta College choir and orchestra will present Beethoven's Mass in C.

One of the leading German liederists in the nation, Prof. Moore joined the SIU-SW staff last fall, arriving from the College of Wooster in Ohio. A native of Olathe, Kans., Moore received both his bachelor and his master of music degrees from the University of Kansas. In 1954-55 he was a Fulbright scholar at Mozartum, Salzburg, Austria.

## Heads Drive For \$1 Billion Bond Issue

Robert Galswinkler, president and managing officer of Security Savings Association of Belleville, has been named chairman of Region 8 of the Illinoisans for Pure Air and Water Committee. The appointment was announced by William L. Rutherford of Peoria and Maynard P. Venema of Northfield, state co-chairman of the committee.

Region 8 includes the counties of Madison, St. Clair, Calhoun, Jersey, Montgomery, Bond, Fayette, Clinton, Marion, Washington and Monroe. As regional chairman of the committee, Galswinkler will direct the program of informing local citizens of the Illinois Resource Development Bond Issue to be voted on in the November general election. The \$1 billion referendum, passed by the General Assembly last summer, is the first comprehensive statewide attempt to manage Illinois' water resources and overcome water and air pollution.

If approved, the proposal will meet the needs of the state from 1968 to 1980 and set the

## W. T. Grant Co. Reports Record January Sales

W. T. Grant Co. had total sales of \$51,365,102 during January, an increase of \$5,292,245 or 11.49% over January 1967 sales of \$46,072,857, according to announcement by Melvin L. ## Witter Elected Chairman Of Hospital Advisory Board

Austin Witter, an executive at General Steel Industries, was elected chairman of the St. Elizabeth Hospital Lay Advisory board during a meeting of the 21-member board Monday afternoon in the hospital library.

Witter, who was vice-chairman of the board and also chairman of the board's finance committee, succeeds Joseph Glik, president of Glik's Department stores.

Named to the post of vice-chairman was Chris Kacaleff, president of Chris Kaye Plastics Mfg. Co. The board also welcomed three new members named to three-year terms — Mrs. John E. Lee of Venice, Wade James of Madison and John Solenberger of Granite City.

A review of the multi-million dollar expansion and modernization program was presented by Sister Mary Thomas, hospital administrator, who said she will be going to Springfield on Friday to revamp the hospital's application for federal funds and hopes at that time to get data on the construction plans as submitted to the state board.

**Consultants to Return**  
The hospital's consultants for the new wing are to be here about Feb. 28 to make any revisions required by the state agency, and the call for construction bids is expected to go out in the period March 7 to 15, with a month to six weeks given contractors to submit proposals, the administrator said.

A report was given by John

P. Drees, director of development, on the fund campaign for the new construction. Of \$1,133,346 pledged, including \$440 in new pledges during January, the payments received through January amounted to \$197,007, Drees said.

Sister Mary Thomas asked the board to consider the establishment of a psychiatric unit on one floor of the new wing, with 57% of the cost to be provided by state and federal governments and the remaining 43% locally. She explained there is a possibility that the mental health district for Madison county may be divided with community centers to be located in Granite City and Alton.

The unit would include close to 25 beds for short-term patients, and there would be governmental aid amounting to 75% for staffing for the first year, lowering to 30% in subsequent years. She estimated the overall cost at \$900,000 for development.

**Support from Clinic**

crucial in starting the unit was discussed, with Sister M. Thomas explaining that aid from the tax-supported mental health clinic here has been offered.

Initial development of the new wing for the hospital is expected to return to the pulpit of the local church on Sunday morning.

Prior to entering into dialogue each evening with more than 100 couples who are registered for the conference, the local pastor is presenting a series of talks on such topics as: "Indicators of Success or Failure in Marriage," "Distinguishing Between Symptoms

## Nine Students Initiated Into Quill & Scroll

Nine new members of the Granite City high school Quill & Scroll chapter were formally initiated in recent candlelight ceremonies.

They are Jackie Ross, Joann Clark, Joanne Hackney, Debbie Lianeura, Janet Milovich, Mary Lou Mills, Karen Pelate, Carol Studebaker and Dena Takmajian.

Betty Hogan, chapter president, and other officers lectured the candidates on the aspects and advantages of journalism. Refreshments were served to members and to faculty sponsors, Robert Johnson and Mrs. Mary Johnson.

Juniors and seniors are eligible for membership. If they have a minimum grade average of 3.7 and are members of the High World staff or editors on the Warrior yearbook staff, the next initiation will be held in April.

## Eastern to Sponsor Ireland Study Project

Eastern Illinois University this summer will sponsor a study project in Ireland. Students may do research or independent study for six weeks in one of the following fields:

Anthropology, economics, English literature, history, political science, sociology or zoology.

Any junior or senior in good standing at an American college who is recommended by the head of the participating Eastern Illinois University department may apply.

Dates for the project are June 26-August 27. At the end of the six-week project, arrangements can be made for the students to take advantage of the remaining two weeks to visit other countries in Europe at an additional cost. However, students who do not wish to extend their tour must remain in Ireland so that the group can return to the U.S. together.

Estimated cost of the project for Illinois residents is \$905.25. This includes round trip airfare between New York City and Dublin, Ireland, and the estimated cost of eight weeks in Dublin. Estimated cost for non-Illinois residents is \$952.25.

## Art Competition Set For Area High Schools

Area high school students have been invited by Southern Illinois University-Southwestern Campus fine arts division to participate in an art competition.

High schools in Madison and St. Clair counties in Illinois and St. Louis and St. Louis county, Mo., will be allowed to enter a maximum of 10 entries per school. Three categories will be recognized and a cash prize of \$30 will be awarded in each.

The categories include graphic arts, painting and three-dimensional works.

A jury will select from these entries works to be shown from March 10 through March 31 in the lobby of the Communications building on the Southwestern campus. Entry cards for the competition are due Feb. 26. They should be sent to Michael J. Smith, Exhibitions Director, Room SL 0217, Southern Illinois University, Edwardsville, Ill. 62025.

Prizes will be awarded March 10 at a reception for participants, their teachers, families and friends, to be held from 2 to 4 p.m. in the Communications building lobby.

## Winter Fest at Campus To Have Bavarian Theme

The Winter Fest to be conducted Feb. 24 at the Southern Illinois University-Southwestern campus will contain a Bavarian atmosphere throughout the 'University Center, utilizing decorations, music and food.

An informal atmosphere will have no chairs in the area. Guests are being asked to wear ski clothes or sweaters and to bring pillows to sit on.

The program will start at 7:30 p.m. with a sing-along with Otto Schultz in the Goshen lounge. Dancing will begin at 8:15 p.m. in the Ranger coffee

house with music provided by George Hudson, a former member of the Count Basie band. The Plaza dining room will be converted into a Bavarian village with shops, flats and a bridge. Assorted types of Bavarian sausages, cheeses on frill sticks, pretzels and relishes will be served throughout the evening from four condiment tables, starting at 9:30 p.m. No utensils will be used.

Tickets, at \$4 for two persons, are available at the information desk until Feb. 23. Jim Musselman is program chairman.

## AAUP Takes Stand on Housing Regulations

The Southern Illinois University - Southwestern chapter of the American Association of University Professors has given its support to the Student Senate in its objections to university housing regulations.

Francis Villmain, chapter president, said most members agreed that university regulations concerning student hous-

ing should not apply to those 21 or over.

Some faculty members said the regulations may present a constitutional question on "certain inalienable rights" of individuals, he said. Villmain added, however, that the university should not withdraw from protecting its students as well as it can, on the housing problem.

## 1st National to Install One-Card Credit System

Residents and merchants of the Quad-City area will participate soon in an advanced Charge Card program that will be initiated early this summer by First Granite City National bank, according to announcement by P. H. Lichtenberger, bank president. He said First Granite City National will be the first in the Quad-Cities to announce its association with the new all-purpose Bankmark Charge Card.

"We believe the Bankmark Charge Card will usher in a new era of shopping pleasure and convenience for everyone in the area," Lichtenberger said. "Throughout the nation the buying public has shown increasing acceptance of, and enthusiasm for credit cards. In keeping with this trend to provide the latest in bank services and to bring this convenience to our customers and friends in the area, First Granite City National bank, by mid-summer, will begin issuing Bankmark Charge Cards."

Under the plan, the Bankmark card will be the only card needed for shopping in Quad-City stores. It also may be used in

certain St. Louis stores and throughout Missouri and southern Illinois.

**Start Signing May 1**  
Thousands of retailers are expected to participate in Bankmark Charge Card service and are expected to sign up for its use beginning May 1, Lichtenberger said. He noted that the plan will permit merchants to concentrate on merchandising without having their accounts tied up in accounts receivable.

In addition, the system gives credit equality to smaller merchants who need to match the service of larger competitors.

Each merchant will get credit the same day for sales tickets deposited with the bank, it was explained, allowing him to make maximum use of his operating capital.

Individual card holders will be given a line of credit to make purchases from any participating merchant. They also can use their credit to obtain up to \$100 in cash from any bank associated with the plan.

Card users will get one bill and make one payment, paying as little as 5%, with a minimum of \$10 each month of the unpaid balance, with a small service charge, or may pay the entire amount within 25 days without any service charge.

### Crop Research Results On SIU Meeting Program

Discussion of soils and crops research results at Southern Illinois University's Southwest Farm Research Center in St. Clair county will be included on the program of the annual meeting of the St. Clair County Soil and Water Conservation district next Tuesday at Turkey Hill Grange Hall on Route 13 near Belleville.

George Kapusta, superintendent of the SIU research center, will speak on research findings and will report on planting dates, fertility treatments and herbicide weed control experiments in soybean production. He also will present findings on row spacings, and the application time and placement of various forms of nitrogen fertilizers on corn and the effects of using liquid petroleum gas in corn. The program will begin at 9:30 a.m. with registration.

# "You could earn \$10,000 or more the first year you run a Shell station like this. And be your own boss!"

The Shell Oil Company is looking for outstanding businessmen to run Shell stations in Granite City. Can you meet our three most important requirements? They may surprise you.

Shell is growing in Granite City. More dealers are needed now. Read this rundown on Shell stations—and why they can be big profit makers. If you read Shell's three most important qualifications. Then can make them your own. If you know someone who can, call WO 8-2200 or write us today.

**SHELL** is growing fast. We need near new — to manage our high-profit Shell service stations here in Granite City.

(Note: Previous experience with automobiles or service stations helps, but is not necessary. Some of our most successful dealers had no related experience before they joined Shell.) Would you like to run a Shell station, be your own boss, set your own goals? If so, Shell offers you these five advantages.

1. Shell stations pump more gasoline. For more than the average station. Results high-potential profits for Shell dealers.
2. You'll sell Super Shell, one of America's most popular gasolines. Sales of Super Shell gasoline are booming. That's because motorists know Super Shell contains Pet-
3. Shell dealers are trained free — and get paid, too. You may already know about automotive service, but Shell will teach you — free—the profit-proven methods of running a business. And you'll be paid while you learn. Results: higher profits for Shell dealers.
4. Shell helps you all the way. Shell representatives continue to help the dealer all through his career. They continually show him new ways to boost sales, cut costs. And Shell spends millions of dollars a year on advertising. Results: high profits for Shell dealers.
5. Shell's credit cardholders number in the millions. Credit card-

holders buy more gasoline, more tires and more batteries than cash customers. And Shell has one of the largest group of credit cardholders. Results: millions of ready-made customers—and high profits—for Shell dealers across the country.

Can you qualify?

If you're interested in becoming a Shell dealer, we will want to ask you three important questions.

1. Do you agree that customer service is the most important factor in successful station management? Shell plans to give motorists the best service they've ever known. You should agree 100% with this goal.
2. Do you have managerial ability? Many men without technical training succeed in the service-business.
3. Are you willing to invest in your own future? You will have to make a small investment in products and equipment to get your business started. Shell will help you arrange your finances but you must demonstrate your faith in your own success by investing in your station.

We'll want to ask you other questions, too. But if you can answer "Yes" to the ones above, you're over the first hurdle.

Learn more about the high-profit business you can build as a Shell dealer. Call us now at 1-314-WO 8-2200 or 1-656-3075.

## ☆ SOCIETY ☆

### Luncheon, Dance For Federation

Mrs. Candy Kawula was hostess to the Granite City Junior Service club board Monday evening in her home, 1512 Clark avenue.

Mrs. Jo Anne Gaumer, president, presided at the business meeting. Mrs. Kawula reported that five school children will receive examinations and eye-glasses.

Miss Flora Mae Lansing and Mrs. Kawula told of their visit to a handicapped girl whom the club sponsors. Gifts were presented to her.

Mrs. Gaumer announced an annual common project of the federated junior clubs—a luncheon at the SU-SW campus on April 20. Proceeds will be donated to children at the Alton State Hospital.

A dinner dance will be hosted by the local club for the federation in May, at Augustine's in Belleville.

Mrs. Rena James, chairman of the club's forthcoming fashion show, announced the event will be held April 2 at Granite City high school.

Refreshments were served by the hostesses to those named and Mesdames Audrey Jaro, Louise Kovar, Mary Schaffner, Gladys Waggoner and Jean Ann Vrenick.

The club will meet Monday evening at the civil defense building.

MISS DONNA DOLLAR of Collinsville, formerly of Venice, whose engagement to Glenn Boushard of Venice, is being announced by her parents, Rev. and Mrs. Ralph Dollar.

### Boushard-Dollar Engagement

A December wedding is being planned by Miss Donna Dollar of Collinsville, formerly of Venice, and Glenn Boushard of Venice.

Their engagement is being announced by her parents, Rev. and Mrs. Ralph Dollar, 136 West Country lane, Collinsville. Rev. Dollar is pastor of the

Pleasant Ridge Baptist Church and formerly was pastor of the Venice Baptist Church.

Mr. Boushard's parents are Mr. and Mrs. C. E. Boushard, 115 Hampden street. He is a graduate of Venice high school and now is employed in St. Louis.

Miss Dollar attended Venice high school and now is a freshman at St. Louis Baptist College.

### Mizpah Class Installs Officers

Installation ceremonies were conducted Monday evening at the First United Presbyterian Church of Madison for incoming officers of the Mizpah Bible Class.

They are—Mrs. Catherine Hauskins, president; Mrs. Annie Laura Platt, vice-president; Mrs. Helen Christ, secretary; Mrs. Rae Miller, treasurer; and Mrs. Eleanor Bon-natt, teacher.

Mrs. Eunice Wilkerson served as installing officer. The program was preceded with a "singspiration" and prayer, led by Mrs. Miller.

During the business session, circle members voted to continue a charitable project, initiated before Christmas, which provides aid to a needy family. Also authorized was establishment of a "Helping Hand" box to furnish immediate help to others needing assistance.

It was announced the Youth Choir of the Deerfield, Ill., Presbyterian Church will present a March 26 concert at the Madison church. The meeting concluded with a friendship circle and the Mizpah benediction.

A dessert dish was served by Mrs. Gladys Gitchoff and Mrs. Irene Hackett, to those named and to Mrs. Bernice Gushleff, Mrs. Pauline Mersinger, Mrs. Bertha Wilson, Mrs. Betty Gaertner, Mrs. Merle Gnoth, and a guest, Mrs. Thelma Hill. The class will meet next on Monday, March 11, at the church.

### Open House For Sturdivants

An open house and reception Sunday afternoon from two o'clock to five will mark the 50th wedding anniversary of Mr. and Mrs. Rome Sturdivant, 2022 Adams street.

Friends of the couple are invited to attend the observance, to be given at the Second Baptist Church by their three sons, Charles, Richard and Robert Sturdivant, and families.

SUMMER BRIDE-TO-BE. Miss Catherine M. Klug, whose betrothal to Clarence Edward Hand is being announced by her parents, Mr. and Mrs. Emil J. Klug, 1354 Oakland avenue.

### Hand-Klug Engagement

Mr. and Mrs. Emil J. Klug, 1354 Oakland avenue, are announcing the engagement and forthcoming summer wedding of their daughter, Miss Catherine M. Klug, to Clarence Ed-ward Hand, son of Henry Hand,

2033 Thirteenth street, and the late Mrs. Irene Hand. The bride-elect, a graduate of Granite City high school, is employed at A. O. Smith Corp. Her fiancé is a graduate of Venice high school and Southwestern campus. Presently, he is employed in the Venice public school system as a seventh grade teacher.

### HILLTOPPERS HOLD SPECIAL DINNER

The Hilltoppers of St. John United Church of Christ met Tuesday at noon for a special dinner of chicken and dumplings.

Tables were decorated in a Valentine motif by Mrs. Dessie Knipping, who also served as entertainment chairman.

Several prizes were awarded in the games. Thirty-five members attended and guests Mesdames Jack Robertson, Alice King, Jesse Schaefer, Florence Blette, Carl Straub and Charles Henry.

### Ann Rutledge Lodge Entertains

Red roses and Valentine hearts decorated the refreshment tables Monday evening at the IOOF Hall on Nameoki road when members of Ann Rutledge Rebekah Lodge 47 entertained officials of Rebekah District Association 28.

Fifty-nine persons attending were welcomed by Mrs. Irene Hendricks, noble grand, who presided during the special program. Each guest was introduced and presented with a gift from the host lodge.

District officers honored include Mrs. Florence Humes of Troy, president; Mrs. Calista Baker of Alton, vice-president; Mrs. Zola Maxey, secretary, and Mrs. Olive Lindauer, treasurer, both of Smithton; and Mrs. Tillie David of East St. Louis, junior past president.

## Truant Officer Qualifications, Duties Decided

Qualifications and duties of a truant officer to be hired for the 1968-69 school year were approved Monday night by the Granite City school board, which will seek applications for the position.

Minimum age will be 30, with at least high school graduation and preferably two years of college including the field of education, social work and guidance.

He should be a resident of the school district at least five of the past ten years, eligible for bonding and deputizing, interested in children, willing to do night work and have firmness combined with the ability to be pleasant, courteous and cooperative.

Salary will total \$5500 to \$6200, varying according to one to six years of experience, for a period lasting from two days prior to the opening of school to three days after the close of the term.

**Seek To Curb Absences**  
Duties will be to investigate all cases of absence referred to him, report the cause of the absence and action taken, develop case histories on habitual truants, take court action against truants and their legal guardians when all other means have failed, cooperate with all welfare and other agencies in promoting school attendance and the general welfare of the student, keep accurate records and prepare daily, monthly and yearly reports.

Supt. Bob J. Davis said that increasing cooperation is being obtained from the state's attorney and Madison county probation officers in enforcing school attendance requirements.

The truant officer to be hired will be asked to attend necessary court hearings and handle any related duties that may arise during summer months, at additional pay.

Other school personnel have handled truancy duties this year. James Lowder, retired Granite City chief of detectives, served as school truant officer in 1966-67.

**Hire Music Instructor**  
At Monday's session, the board hired effective with the fall term Terry Wayne Van, 38 Villa drive, SIU bachelor of music degree, as a music instructor.

Mrs. Arlene Marie Haldeman, 4908 Melrose avenue, will begin duties as a secretary in the accounting office Feb. 19.

Mrs. Sharon Ann Parker, 2006 Amos avenue, was employed as secretary to the curriculum coordinator and Mrs. Nutter Ann Rosales, 4064 Lake drive, as a junior high school secretary, both starting "as soon as possible."

**Lead Custodians Retire**  
August H. Beckmann, 2125 Lynch avenue, lead custodian at Marshall grade school, resigned effective March 29. He has been the lead custodian there for the past nine years and cited health and age factors in his retirement decision.

Leon Frazier, 2500 Adams street, lead custodian at Maryville grade school, resigned effective at the expiration of his sick leave and earned vacation days, citing ill health for his retirement. He has been a school employee 12 years.

Authority was given for John Mulach, Maryville grade school principal, a regional director of the group, to attend the national meeting of the Elementary Principals Association March 30-April 3 in Houston, Tex. Carroll Sanders, audio-visual aids consultant, will attend a national

## SP/4 RICHARD KISMER Commendation Winner

### Commendation Medal For Richard Kismer

Army SP/4 Richard L. Kismer, son of Mrs. Rose Richardson, 1907 Harris street, Madison, was presented the Army Commendation Medal on Jan. 13, while serving with the Fifth Light Equipment Maintenance Company at Long Binh, Vietnam.

Since receiving the award, the 23-year-old serviceman completed a two-year tour of duty with the military and has been discharged. He returned home within the past three weeks from Vietnam, where he was stationed from Feb. 25, 1967.

According to the citation accompanying the Army Commendation Medal, the local soldier was cited "for the performance of exceptionally meritorious service in support of the United States objectives in the counterinsurgency effort in the Republic of Vietnam during the period May 1966 to January 1968."

The citation continues, "Through his outstanding professional competence and devotion to duty he consistently obtained superior results. Working long and arduous hours, he set an example that inspired his associates to strive for maximum achievement."

"The loyalty, initiative and will to succeed that SP/4 Kismer demonstrated at all times materially contributed to the successful accomplishment of the mission of the Company. His performance was in the best traditions of the United States Army and reflects great credit upon himself and the military service."

Prior to joining the Army on Jan. 28, 1966, SP/4 Kismer, a 1962 graduate of Madison high school, attended Southern Illinois University-Southern campus. During the same period he was employed at Dow Chemical Co., where he has since resumed working.

The Vietnam returner spent most of his overseas tour at Long Binh, located approximately 15 miles northeast of Saigon, near the Bien Hoa Air Base.

al audio-visual meeting March 24-29, also in Houston.

M. A. Witternigel, administrative assistant for vocational and adult education, was given permission to attend a meeting of the National Labor-Management Advisory Council beginning Feb. 29 in Washington, D. C. He is a member of the group, which will pay his expenses.

An administrator and two board members are expected to attend a national school board association meeting in Detroit March 30-April 2. No decision has been made on who will make the trip.

## 5 Fire Calls in 14 Hours Sets Record in Madison

A series of five fire alarms in a 14-hour period Monday—with three of them only an hour apart—set an all-time record of calls for the Madison fire department in a single day, according to Fire Chief E. J. Miller.

Miller reported that the Monday alarms brought to seven the total to which the department responded between Friday afternoon and Monday afternoon.

Monday's series of alarms began at 1:10 a.m. when firemen were called because of a minor fire at 1837 Fifth street, where a fire in a truck caused \$50 damage to the vehicle.

At 11:15 a.m., the department was called to the Union Coal & Feed Co., 1425 Second street, where a fire in a truck caused \$50 damage to the vehicle.

The third alarm came in at 12:55 p.m. when firemen were summoned to the residence of Marie McDade, 1315 Fifth street, to extinguish a weed fire. Another weed fire at 1:45 p.m. spread to a shed at the rear of the home of Freida Beardsley, 1630a Fifth street. Miller said there was no loss.

An hour later, at 2:45 p.m., firemen were called to 1622 Second street to extinguish another weed fire. Chief Miller said the weed fires were caused in all three instances as the result of burning rubbish.

Children playing with matches were believed responsible for a fire in the kitchen of the apartment of Albert Keller at 1544a Seventh street, at 12:15 p.m. Friday, Miller reported. Miller said the fire caused an estimated \$500 damage to the building and \$300 to contents.

At 3:15 a.m. Saturday, fire-

**Charge Improper Parking**  
Harold G. Hanks, Mt. Vernon, Ind., was arrested by Venice police at 10 a.m. Tuesday on a charge of improper parking at Market street and Broadway. Hanks posted \$25 cash bail and is pending a magistrate hearing March 6.

**\$129 Check Forged**  
Paul Kelly, manager of the Tri-City Grocery store at 18th and Cleveland blvd., reported at 1:30 p.m. Monday that on Jan. 22 he received a check for \$129 from a man and found it to be worthless.

men were called to a residence owned by Albert Simpson at 819 Iowa street, where fire started in a rear room, apparently from defective furnace wiring. The house was unoccupied and the fire was discovered by patrolling police who called firemen. Damage was estimated at \$750 to the

## Unable to Pay Fine, Gets 34 Days in Jail

Samuel Starks, 48, St. Louis, was taken from the Venice city jail to the county jail at Edwardsville Tuesday to begin a 34-day jail term for failure to pay \$170 in fines and costs assessed against him Monday afternoon.

Starks who was arrested by Venice police at 10 a.m. Saturday was fined by Magistrate Mateosian on charges of driving without a driver's license and unlawful use of a weapon. He was unable to pay the fine of \$30 and \$10 costs on the license charge and \$100 fine and \$10 costs on the weapon charge, and was committed to the county jail to serve out the fines at a rate of \$5 per day.

Venice police said they arrested Starks on the county road and while booking him on the license charge found he was carrying an illegal knife.

## Fewer Combat Casualties Dying-- Thanks to Aeromedical Evacuation

(Military Airlift Command)

Flying medical crews worked overtime in Southeast Asia last year to break what was the cruellest law, the one that governs life and death in combat.

From the Puk War to Porkchop Hill, in battles long before and those that followed after, the law was stark and unbending: a commander could write off a certain number of his troops with a quick, macabre stroke before the battle was joined.

He knew they would die. In the far-off delta and highlands of Vietnam, medical men and women are fighting a daily struggle to repeal the law. Their success is apparent in the numbers of wounded servicemen who survive and return to duty.

Reasons for this success are many and varied, but most of them relate to the tremendous medical advances made in recent years and their rapid refinement for use in war.

MAC's all-jet C-141 Starliner, quickly convertible from a cargo aircraft to a flying hospital ward, can hardly be classed as a medical advance—except maybe by some Vietnam battle-wounded who were rushed within hours to major hospitals in the Philippines or Japan for life-saving surgery.

MAC's medical crews—flight nurses and medical technicians—cared for 22,941 Vietnam battle-wounded last year, three times as many as in 1966.

Of this total, they provided in-flight care to some 13,500—more than twice the number as the previous year's in-flight flights from the Pacific and

Southeast Asia to U. S. hospitals nearest their homes where they receive specialized care.

Worldwide, MAC's aeromedical evacuation crews flew a record 126,858 flights on domestic, Atlantic and Pacific flights—a 38% increase over the previous record total of last year, 91,872.

The domestic "aircave" system, operated by the 375th Aeromedical Airlift Wing at Scott Air Force Base, carried more than 55,000 patients last year, an increase of 6000 over 1966. Domestic flights moved patients to and between more than 600 hospitals across the nation.

The sick and wounded from the Pacific and Southeast Asia are flown on C-141s to scheduled flights a week to Andrews AFB, Md.; McGuire AFB, N. J.; Travis AFB, Calif.; Scott AFB, Ill.; and Air Base, Saigon, in 2½ hours transferred to domestic aircave aircraft at these locations.

The big C-141s can carry 80 patients, 124 ambulatory patients or a combination of each on transoceanic flights at 500 miles an hour.

Stuffed by the northern Pacific route through Alaska to Andrews from Tan Son Nhut Air Base, Saigon, in 2½ hours the flying trip to Travis averages 16½ hours.

In all, it's time that counts. Time for helicopter to drop through withering ground fire to pull free a wounded soldier or marine.

Time for medical corpsmen to try their hand in jungle clearings. And time for a jet-quick flight to a major hospital—and the chance to break a law.

## Rapid Rise in Clerical Salaries

(Bureau of Labor Statistics)

Pay for clerical workers in private industry rose faster in 1966-67 than it did for professionals.

This is the first time that clerical pay gains outpaced those of most professional and administrative occupations since the bureau began studying both groups in 1961.

Salary increases for white-collar workers in private industry were the largest in six years.

The newly completed study—National Survey of Professional, Administrative, Technical and Clerical Pay—shows that salary increases for 17 clerical work levels ranged from 4.4% to 7.7% from February 1966 to June 1967.

For all levels combined, the average advance amounts to 6.1%. Adjusted to an annual rate, the increase comes to 4.6%.

Pay increases for nearly all of the 51 professional and administrative job categories ranged from 2.8% to 8% in the March 1966-June 1967 period. The following tabulation shows the percent increases for major occupational groups.

**Percent Increases in Average Salaries**

**Engineers, Chemists**  
The June 1967 average salaries for eight levels of engineers, the largest professional group studied, ranged from \$699 a month for college graduates in trainee positions to \$1853 for those responsible for highly complex engineering programs.

## No Place in Chouteau Discussions For Those Who Lack Respect For the Law

Most of those who favor creation of a village in western Mitchell undoubtedly were unaware of and were not in sympathy with—the strong-arm tactics of last weekend, when a fight occurred at a tavern displaying "Vote No" signs.

But the incident raises serious questions about the close association of some of the incorporation backers with individuals whose past indicates disregard for the law.

The altercation over campaign signs followed by only a few weeks a request for \$200 to help finance a drive for approval of the incorporation proposal.

Questions that come to mind include: Is there any proper role in the pre-election activity for intimidation or excessive spending?

How much influence would such associates have over future Chouteau officials, assuming the posts were filled by some of those now active in the campaign for incorporation?

Would operators of businesses contributing to the election fund be treated exactly the same as those who refuse to do so, after their firms become subject to regulation by the village?

It will be difficult for voters to detachedly weigh the various advantages and disadvantages of incorporation until such questions are answered.

## INMUNABLE POLICIES AT ANIMAL SHELTER

To the Editor:  
At the time I was a person in our city achievements, I appeal to animal lovers and lovers of justice to regard the conditions of our Granite City animal shelter.

Previously, it was encouraging to read months back about the requests for blankets, rugs and other items for the comfort of our stray animals; yet, on visit after visit I discovered none of these things.

Questioning the man in charge, I was told, "I ain't got nothing to do with blankets, rugs and so forth." He repeated the same thing over and over, silencing on one of our oldest days.

Unwanted dogs must be destroyed—how they are destroyed should be the concern of every taxpayer and voter.

We told this man we would be back the next day for a certain dog and, upon returning, we told him that the dog had been killed by a vicious dog.

There are empty pens. Why weren't the mean dogs confined in them? Where was the man while the dog was being chewed to pieces?

Why are all dogs put together, the healthy with the sick? One time, all the dogs had to be destroyed because of an epidemic of distemper.

We chose to keep a very friendly and charming one, after bringing him home and bathing him, discovered a huge mass in his throat. We rushed him to St. Louis, where the veterinarian diagnosed the situation as we described and said something should be done about it.

These disgraceful situations exist in many cities but shouldn't obtain in the "Queen of the Quad-Cities."

I believe that at one time was a man in our Humane Society who sold stray dogs outside for lab purposes. Also, I know there were a few other dumb things done in this nebulous department of our city government.

In this disgraceful situation, why not shoot all strays on sight?

It would be the less cruel way, because the purpose of the Humane Society is to abolish cruelty to animals. So, have it? Why not use the Granite City dump and save some salaries?

Well, there it is. I just hope

from the rear if it instead slows to cross Edwardsville road and continue north on McCambridge.

Vehicles moving southwest on Edwardsville road also have the option of turning with the highway or going straight and, in both cases, must guess whether oncoming traffic will turn away in time or cross their path.

Elaborate past studies of possible traffic controls there have ended in inaction, allowing the heavy toll of damage and injury to continue. What is needed is not another technically worded excuse, but a remedy.

## Opportunity For Citizens to Aid Local Police in Detecting Crimes, Emergencies

National Crime Prevention Week is an appropriate time to launch the Quad-City "Community Radio Watch," since citizens can and should play a big role in crime prevention rather than relying on governmental agencies to do all the required tasks.

No law enforcement units can be everywhere at the same time. But many law violations and other emergencies are witnessed by passers-by who now will be better able to alert local, county and state police.

Under the new program, messages from suitably equipped utility and construction vehicles, taxicabs, mail trucks and other vehicles are to be relayed to police dispatchers—bolstering the "long arm" of the law and its eyes and ears as well.

All who can aid the cause of law and order in this fashion are being encouraged to contact the Manufacturers Association office for details. The opportunity offered by municipalities in Madison county and Illinois can open the door to a safer and happier community.

## 60-Year, 100-Year Milestones In Unselfish Service By Elks

The current month has triple significance for Elks Lodge 1063.

It marks the 60th anniversary in February and holding a birthday party tomorrow night as part of the national Elks centennial observance. The Granite City lodge also is celebrating the 100th birthday of its bowling competition to be held here on eight weekends this spring.

Since its founding on Feb. 16, 1868, the Benevolent and Protective Order of Elks has developed a massive charitable, educational and patriotic program that today tops the \$10 million mark in annual expenditures. Local activities are highlighted by Cripple Creek, where a bowling competition to be held here on eight weekends this spring.

## Freedom . . . Ignore It and Maybe It'll Go Away

(Freedoms Foundation at Valley Forge)

For the next two weeks, Americans will be asked to take note of their responsibilities and duties to preserve a free America—and to do something about it.

The annual Freedoms Roll Call opens today, Feb. 15, and continues through Feb. 29, featuring the slogan "Freedom—Ignore It and Maybe It'll Go Away."

Anita Bryant, national chairman and first woman to head the national educational campaign in the eight years of its existence, has called for "massive response from Americans everywhere."

A widely known radio, stage and television singer, Miss Bryant has traveled extensively overseas as a member of the Bob Hope troupe entertaining servicemen in combat zones.

"In this presidential election year, it is particularly important that we appreciate our values," she said. "I hope each of us will make a real effort to do what we can to safeguard the heritage of freedom so dearly won in the past and so dearly being paid for today."

To help Americans understand what they can do and how they can make themselves heard, Freedoms Foundation at Valley Forge, which sponsors the Roll Call, will send a free Freedoms Handbook to anyone who writes requesting a copy.

Senator Everett Dirksen, Bing Crosby, Lowell Thomas, Danny Thomas, Raymond Burr, Merv Griffin, Jack Webb, Tennessee Ernie Ford and many other notables have made "freedom statements" supporting the 1968 educational crusade.

The annual Roll Call, sponsored by Freedoms Foundation at Valley Forge, is one of the keystones in the Foundation's program of encouraging Americans to speak and act for freedom.

The Foundation makes awards of cash, medals, citations and "pilgrimages" to historic Valley Forge, Pa., to individuals, teachers, school systems and civic and patriotic organizations for their outstanding contributions to a better understanding of the American way of life.

The Foundation maintains the American Freedom Center at Valley Forge, a complex of nine buildings, and the Congressional Medal of Honor Grove. There are facilities to accommodate students, teachers, writers and researchers participating in the Foundation's seminars, programs and workshops.

One of the themes being used to illustrate the 1968 Freedoms Roll Call is "George Washington wept here." It reminds Americans of their war for independence as follows:

"They weren't even Americans. Not yet. Just simple Colonials.

"They were, frozen, scared, starving band of ordinary people on their way to an extraordinary achievement—the United States of America.

"If they could last the Valley Forge winter, their cause, freedom, would not be lost.

"George Washington wept for them. The pitiful huts, the non-existent food, the incredible scarcity surrounding them would test any man.

"They won. Over winter. Over the foe. Over every obstacle that stood in the way of their self-determination.

"Now, maybe you think you're just an ordinary person. That nothing you can do would help freedom's cause too much.

"But do it anyhow. Write that letter you never got around to writing to your representative. Take the kids for a visit to history's shrines. Vote. Say 'Yes' publicly. Say 'No' publicly. Read. Learn. Tell. Encourage. But don't ignore freedom.

"You'd be surprised how ordinary people can produce extraordinary results. It's how America happened. Freedom—ignore it and maybe it'll go away."

Madison. No coach at Madison has ever advised a student to stay away from school.

There are also those who defend a cause of equality and principle without notice being taken of race.

If he would acquit himself with the facts, and perhaps talk to the four gentlemen who are involved, they might plead guilty to something like adhering to principles.

He would also find that the only problems at Madison high school that involve race are those artificially created.

## LETTER REINFORCES CONFIDENCE IN YOUTH

To the Editor:

In answer to the Feb. 12 Forum letter, "City of Madison: Pay the Attention It Deserves"—when you read a letter from

15-year-old boy who expresses his ideas as he did, it makes you know that the youth of America know what is going on in the world today.

We can take hope that not all our teenagers are "hippies" and draft card burners, but are willing to shoulder their responsibility to preserve freedom.

I agree with him that if the people who march and find fault would spend one day in Vietnam and see the children who are homeless and hungry, they would find another way to express their views.

be they would spend a little time writing letters to some innocent boy in the service.

It is my thankful that there are such boys as the Feb. 12 Forum writer.

**Card of Thanks 32**

I WISH TO THANK everyone for the cards, flowers, and who visited or remembered me in any way during my illness while I was in the hospital.

MRS. NORMA DROEGE  
We WISH TO EXTEND our heartfelt thanks to all who so kindly assisted and for the words of sympathy and beautiful floral offerings extended at the death of our beloved one. Special thanks to Rev. Schindler, Nurses of St. Elizabeth Hospital and Dr. Otto Bauer.

OLLEN RAGANS AND DAUGHTER BULAH WIDEL  
In loving memory of WILLIAM R. FISHER, Feb. 14, 1967.

One year has passed since that sad day. When one we loved was called away. When our home-home it was His will. Within our hearts he liveth still.

Sadly missed by MOM, DAD, FRANK, LOUIS AND DEBRA  
In loving memory of FRED WERNER, Feb. 16, 1960.

When we were young, we were so close. When we were old, we were still close. When we were sad, we were still close. When we were happy, we were still close.

Sadly missed by TRIE FAMILY  
In loving memory of ALVA BURNETT, Feb. 15, 1967.

I do not forget you, nor do I think of you often, and will to the end. Gone and forgotten by some you may be. But dear to my memory you ever will be.

Sadly missed by A FRIEND  
In loving memory of ANNA J. BURNETT, February 15, 1967.

## St. Louis U. Band To Present Concert

The St. Louis University concert band will present its winter concert at 8:15 p.m. Feb. 23, in the Busch Memorial Center.

The band, under the direction of William R. Memmott, will perform "Stars and Stripes Forever" by Sousa, "Overture for Concert Band" by Giovannianni, and "Carmina Burana" by Orff during the first half of the concert. The Fontbonne College Chorus, directed by Sister Mary Anton Gaydos, C.S.J., will join the band in performing the selection by Orff.

During the second half of the concert the band will present its first annual jazz festival featuring a reminiscent look at the last 50 years of jazz in America.

**YOUTH SPEAKERS** at a Bible service during the first "Ecumenical Happening" Monday night attended by 150 teenagers at Central Christian Church were, left to right—Beth Wittevrongel and Christine Naglich of St. Elizabeth Catholic Church, Terry Hulce of Central Christian Church and Tom Carmody of Sacred Heart Catholic Church.

## Students Sought for SIU-SW Honor Program

The Honors Program committee at the Southern Illinois University-Southwestern campus is seeking eligible students to take honors courses in the spring quarter.

To be eligible a student must be at least a sophomore with either a 4.0 over-all or two successive quarters on the dean's list.

Eligible students may receive a specialty not listed in the course catalogue, and most of the honors courses may not reach the student body for two or three years, according to Mrs. Gertrude Marti, committee chairman.

## Roca Club to Hold Sweetheart Banquet

The Roca Young Men's Club will hold its annual Sweetheart banquet Sunday at Augustine's restaurant, Belleville. Ruth Diak, current Sweetheart, will serve as hostess. The Rising Sons will play for dancing.

Plans for the event were made at a meeting this week at the home of Bill Schermer. Rich Diak presided. The next meeting will be chaired by Rick Cardwell on Feb. 25.

## Homecoming Plans Set by St. Louis U.

Homecoming for 1968 will be celebrated at St. Louis University during the week of Feb. 25 to March 2.

Major events for the week include a concert by the Sandpipers recording group on Feb. 26 and a homecoming dance where Miss Billiken will be crowned. The homecoming basketball game will be March 2 when the Billikens play Bradley University at Kiel Auditorium.

## Enrolled at Parks

Edward J. Martin, son of Mr. and Mrs. Warren E. Martin, 300 Lenox avenue, has enrolled in the 45-week airframe and powerplant mechanics program in the aircraft maintenance engineering department of Parks College of Aeronautical Technology of Saint Louis University for the 1968 winter trimester. He is a graduate of Granite City high school.

Veterans who drew compensation for service-connected disabilities rated 50% or more are entitled to additional payments for their dependents, according to the Veterans Administration.

## Police With Dogs To Help Protect School Buildings

Police accompanied by dogs are to be utilized in curbing incidents of vandalism and theft in school buildings of the Granite City community unit district.

Under a program approved by the school board Monday night following suggestions by Granite City Police Chief Ronald Veizer, the police and school system will work closely to-

gether in coordinating surveillance of school facilities.

Police will have keys to the buildings and schedules of custodial shifts, as well as lists of schools that have been entered, the frequency of such break-ins and information on "special situations in buildings that could aid the police in their work."

"With the rash of break-ins we have experienced this year, I think it is an outstanding idea," Supt. Bob J. Davis commented.

Some of the burglaries have been attributed to young children, but others are believed to be the work of professionals. Audio-visual equipment and o-

fice machines—all costly to replace—have been frequent targets.

At the suggestion of board members, additional lights are to be left on at some schools.

## '68 Chevelle—Prices start lower than any other mid-size car's.

Sized to your needs, both in 112" and 116" wheelbases, Chevelle delivers big-Chevy ride and comfort in a mid-size car at your kind of price.

## '68 Camaro—lowest priced of all leading sportsters.

Sporty like Corvette, yet with family-style room. Features like Astro Ventilation and a 327-cu-in. standard V8. No wonder Camaro's popularity is growing faster than any other sportster's in the industry.

Now you can "customize" your Camaro

with bold new striping, mag-spoke wheel covers, a spoiler set back, new "hounds-tooth" upholstery plus four new colors for Camaro: Corvette Bronze, British Green, Rallye Green and Le Mans Blue.

Be smart. Be sure. Buy now at your Chevrolet dealer's.
